CHRISTIAN-SCIENCE CHURCHES

"Substance" was the subject of the Lesson Sermon in all Churches of Christ, Scientist, on Sunday, March 17.

The Golden Text was: "Whosoever God doth it shall be for ever" (Ezek. 3:14).

Among the citations which composed the Lesson Sermon was the following from the Bible: "Honour the Lord with thy substance, and with the first fruits of all thine increase" (Proverbs 3:9).

The Lesson Sermon also included the following passages from the Christian Science textbook: "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The objects limited by the physical senses have not the reality of substance. They are only what mortal belief calls them. That which material sense calls intangible, is found to be substance. What to material sense seems substance, becomes nothingness, as the sense-dream vanishes and reality appears" (pp. 311-312).
