CHRISTIAN SCIENCE CHURCHES

"Reality" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 31.

The Golden Text was, "Thou O Lord, shall endure for ever; and thy remembrance unto all generations" (Psalms 102:12).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things. Those things, which ye have both learned, and received, and heard, and seen in me, do; and the God of peace shall be with you" (Philippians 4:8-9).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Scriptures imply that God is All-in-all... He is all inclusive, and is reflected by all that is real and eternal and by nothing else. He fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence, all is Spirit and spiritual" (p. 321).
