Lula Belle's Folks To Be On Wilmette Program

Regular listeners-in on the Barn Dance program over WLS are familiar with Lula Belle, the belle of the Barn Dance show, the only woman star ever developed on that program. With many people Lula Belle is a great favorite. Lula Belle's pa and ma and her little brother Pete (the Cooper family), will appear at the Odd Fellows hall, 1213 Wilmette avenue, Wilmette, Thursday evening, April 25, with their friendly mountaineers and a gala hill billy show.

It is a well known fact that Lula Belle's ma writes and arranges a large portion of the songs that Lula Belle sings. All of these people come from the hills of Virginia and the Carolinas.

There will be two big floor shows, followed by dancing. This show and dance is given under the auspices of A. T. Sherman lodge No. 802, I. O. O. F.

"Heart" Tag Day to Be Held Here April 20

Permission has been given to the Volunteers of America to hold their 12th annual "heart tag day" in Highland Park Saturday, April 20.

The affair is sponsored by Mayor E. B. Metzger, Mrs. W. A. Alexander, Rev. Louis W. Sherwin, Mrs. Chas. Mason, Mrs. E. R. Phelps, Rev. Fr. J. D. O'Neill, Mrs. J. B. Garnett, Rev. Christoph Keller and Miss Helen Boyce. Headquarters for the day will be at the public library with Miss Boyce in charge of the young workers and the finances.

The "touch of human kindness" is a phrase often used to describe the particular kind of welfare work of the Volunteers of America. The organization was founded 41 years ago by General and Mrs. Maude Wellington Booth. Mrs. Booth has been untiring in her voluntary efforts in behalf of those needing spiritual aid in penal institutions and in looking after the Betaoinshrd titue mothers with children, left penniless while the husband and father serves his sentence, we are told.

The tags are sold for whatever anyone is willing to give.

I take this opportunity of thanking the voters of Highland Park who have, for the fourth time, elected me commissioner. I shall continue to do all that lies within my power to give Highland Park an efficient government.

When Your RUGS are cleaned . . . insist on these Cleaning Standards

- **SAND AND GRIT REMOVED**
Through our modern rug beater which taps the rugs gently and removes all sand and grit which has a tendency to settle at the roots of the pile in rugs. This process removes all sand and grit which ordinarily could never be removed with a vacuum cleaner.
- **NAP CLEANED TO THE BASE**
The rugs after being dusted are "shampooed" (as shown in the above illustration) with a specially prepared vegetable soap which is harmless to colors.
- **SOIL REMOVED FROM RUGS**
After the rugs are shampooed they are rinsed with a stream of softened water which is another special feature of VOGUE RUG CLEANING PROCESS.
- **FRINGE IS CLEAR & STRAIGHT**
Special pains are taken in the manner of cleaning fringes of Oriental and Domestic Rugs. They are brushed by hand with soap and soft water and all suds and grime is removed, thereby leaving the fringe bright and straight.
- **NAP SOFT & SMOOTH**
After a thorough washing, all water and moisture is removed with our special vacuum process. The rugs are finally taken outdoors to the drying racks, where they are exposed to a natural sunlight and air.
- **RUGS LIE FLAT ON FLOOR**
With VOGUE RUG CLEANING PROCESS the sizing of the rug is not removed nor do the edges curl. This assures your rugs' perfect smoothness, thereby adding many years to the life of the rug.
