Virginia Grant to Be in College Play

Miss Virginia Grant, daughter of Mr. and Mrs. Charles F. Grant, 610 Forest avenue, will conclude a distinguished career in dramatics at Rockford College, this Friday and Saturday night, when she plays the role of Hilda Wrangel in Hendrik Ibsen's "The Master Builder."

Important parts which Miss Grant has played at Rockford are Juliet in "Romeo and Juliet," the title role in Shaw's "Gandida," Hermione in "The Winter's Tale," and Lady Cecily in "Captain Brassbound's Conversion."

Miss Rhea ZurWelle, daughter of Mr. and Mrs. Otto W. ZurWelle, 1834 Burton Place, is a member of the costume committee for the play.

Funeral services for Mrs. John Carlson, whose death occurred Monday from pneumonia, will be held Thursday afternoon at the Laner funeral home in Northbrook.

Sheridan Road Traffic Decreases

(Continued from Page 1)

which has been engaged for ten years in co-ordinating public works, park development and zoning in the Chicago region. It was eight years ago that they brought the Wisconsin and Illinois highway departments together to see if several bond issue routes could not be located, end to end, to make a continuous, interstate highway to relieve Sheridan and Green Bay Roads. The present Skokie Three-State Highway was the result. This year will see all parts of U. S. Highway 51, as it is now numbered, under contract.

The development of Railroad Avenue was actively pushed about the same time to further relieve Sheridan road and to provide an inter-village business thoroughfare. On the traffic now using Railroad Avenue, only 11 per cent is composed of commercial vehicles most of which are light delivery trucks.

In addition to the idea of developing parallel highways to the west of Sheridan Road, it has been the policy of the Regional Planning Association to provide east and west connections from the lake shore at frequent intervals. It is important to give easy access to these by-pass routes in order to attract vehicles that may be going some distance.

When Skokie Highway becomes fully effective shore residents should not expect impossible reductions in traffic on Sheridan Road, according to origin and destination traffic data gathered in October, 1931. Results obtained on Sheridan Road at Calvary Cemetery showed that 84 per cent of the vehicles were to or from Cook County north shore towns, while only 11 per cent were to or from Lake County.

Secret Garden Robin to Be Muller Marionette

When "The Secret Garden" is enacted by the Children's Theatre on Saturday afternoon, April 27, on the Highland Park Woman's Club stage, the robin who chirps and flits about and finally turns hero when he finds the key to the "Secret Garden" will be none other than a Muller Marionette.

"Robin Redbreast," one of the leading characters in Miss Geary's dramatization of Frances Hodgson Burnett's popular story is being created in the local workshop of Miss Katherine Muller, a local young woman whose marionettes have won considerable plaudits because of their unique design and unusual controls.

Before Miss Muller began manufacturing marionettes herself she was connected with the Paul McPharlin Co., international leaders in the field of puppetry.

William J. Brown

I wish to thank my many friends who supported me in the campaign and who voted for me last Tuesday. I give you my personal assurance that your faith in me will be justified in the future as it has been in the past.

Make your OLD HOME Young

Cover weather-beaten walls with new Siding of LASTING Beauty

Modernize and rejuvenate the old home with the lasting beauty of Careystone Siding. This unique exterior wall covering is made of asbestos and cement, attractively colored. Permanently eliminates painting costs. Rock-like in structure, it cannot rust, rot or burn. Insulates against summer heat and winter cold. Reduces fuel bills. Reasonable in cost and the first cost is the last. Let us give you an estimate.
