You'd Be Surprised!

Answer to Last Week's You'd Be Surprised

Double Jointed people have merely loose and stretched ligaments. Double joints mean two joints, of which there are, of course, no cases.

Nor are you able to correct foot defects years after the foot has become deformed! So don't take chances with your children's shoes. Start now to give them perfect care so that they will develop perfectly! Buy their shoes at FELL BROS. and play safe!
