## "Buck Fever" Becomes Prevalent in H. P.

### Merchants and Buyers Find Keen Interest in Novel Premium Offer

After two weeks of activity since the launching of the Highland Park Buck program, Highland Park merchants announce today that the desire for "BUCKS," and more "BUCKS" on the part of Highland Park residents has created a new "malady" popularly known as "Buck Fever."

Reports of many Highland Park merchants indicate the symptoms to be quite noticeable and easily diagnosed—keen interest in buying in larger quantities than usual when shopping in local stores, and the conclusion of every sales transaction with the popular question "where's my Bucks?"—These and other similar symptoms are a definite indication of "Buck Fever."

Valuable items of merchandise, including a girl's and a boy's bicycle, groceries, clothing and several hundred other useful things will be sold to the highest bidder at the Highland Park Buck Auction Sale. The bicycles are now on display in the windows of Duffy and Duffy and J. B. Garnet company.

The auction sale, which will be held the night of Monday, June 17, at the Highland Park Woman's club, will bring to a close the Buck program which is sponsored by the Chamber of Commerce.

The auction, it is announced will be in the form of the common public auction sale, with the distinct difference that no money will be used—only the "Bucks" as issued by more than sixty-five Highland Park business firms. These certificates are issued at no cost to the consumer in connection with purchases and with payments made on charge accounts prior to June 15.

Residents are advised to ask for and "Save your Bucks" and watch the local papers for further details.

Music, comedy and drama have been perfectly blended and the star has been enthusiastically accepted by the public. This film will be Friday and Saturday's attraction.

Leslie Howard and Merle Oberon are the featured players in Sunday's and Monday's presentation at the Alcyon. "The Scarlet Pimpernel" is the story of a phantom adventurer who was more feared than an army and loved by a thousand women. His exploits create the most stirring romances in all history.

Tuesday and Wednesday of next week you may see Evelyn Laye and Henry Wilcoxon in the delightful musical version of the stage hit, "Princess Charming." The picture contains an exciting plot, tuneful songs and plenty of good laughs.

"Mississippi," featuring Bing Crosby and Joan Bennett and W.C. Fields, is to be the attraction for Thursday and Friday, May 30 and 31.

### POPPY DAY TO BE OBSERVED HERE

Preparations for Poppy Day, to be observed here and throughout the nation Saturday, May 25, went forward rapidly today with the arrival of Memorial Poppies at American Legion Auxiliary headquarters. The little red flowers, 2,500 of them, came from North Chicago Veterans Hospital No. 105, where they were made by disabled World War veterans, comrades of the men in whose honor they will be worn.

The poppies are being counted and arranged in readiness for distribution to the Poppy Day workers who will offer them on the street May 25 to be worn as a tribute to the World War dead. All work in connection with the observance is being carried out by volunteers so that every penny received as Poppy Day contributions can go into the welfare funds of the Auxiliary.

"The poppies are paper replicas of the wild European poppies which bloom along the battle front and in the war cemeteries during the World War," Mrs. Cole, chairman, explained. "It was this flower, growing between the rows of wooden crosses above fresh battle graves, which inspired Col. John McCrea to write his famous poem, 'In Flanders Fields.' The flower is now recognized throughout the English-speaking world as the symbol of the World War sacrifice."

"Each of the little red flowers has been made by hand by some disabled veteran in need of employment, or each poppy the Auxiliary has paid its maker one cent, enabling hundreds of veterans to support themselves and families through the winter and spring. Approximately ten millions of the poppies have been made this year, meaning earnings of \$100,000 placed in the empty pockets of these disabled veterans."

"In addition to the earnings of the veterans making the poppies, the poppy funds bring aid to thousands of needy families of veterans throughout the year."

### Holy Name Society Announces Dance

### COUNCIL CONSIDERS VARIOUS PROBLEMS

#### Committee Decides To Experiment with Green Bay Road Tangle for One Month

Members of the committee appointed last week by Mayor Dooley to investigate the complaint of Green Bay road residents that trucks were making excessive and unnecessary use of the thoroughfare, reported last Monday evening at the council meeting that they had come to a decision to experiment with various ways of lessening the traffic for one month, in an effort to find an equitable method of adjusting the difficulty. For the present, signs are to be erected at various sites along the road, reading "No Thru Trucks, Speed Limit 30 Miles Per Hour by Order of the Chief of Police."

In reply to a suggestion by one of the complainants that ALL truck traffic be shifted to St. Johns avenue (which is narrow and winding), Commissioner Gourley stated that he would be definitely opposed to any such class legislation.

Officials point out that while it is possible to bar through trucks (those having no Highland Park deliveries) any truck having stops in Highland Park is privileged to use any street necessary to reach its destination.

Among other matters of business disposed of were the approval of payment of a \$1,000 fee for auditing the city's books, a motion to call for bids for the official newspaper, and the acceptance of a petition to divide the special assessments of a 6-acre section of the city. Tentative approval was given a plat of a subdivision to be known as the Highland Park Woodlands.

### Community Garden Class to Hold Plant Sale May 25

The Community Garden class of the Highland Park Woman's club will hold its annual spring plant sale on the grounds in front of the Northwestern freight station on Central avenue, May 25. This date was chosen because plants set out earlier are often killed by frost. Mrs. Wallen, general chairman in charge of the sale, predicts that this will not only uphold, but surpass, the standard set by the fine plant sales which the Community Garden class has sponsored. Plants will be on sale from 8 o'clock in the morning until five in the afternoon.

On Tuesday, May 21, the Community Garden class arranged its first motor trip of the season. Under

The set of 17 flags is valued at \$100 as the materials, art work and making could not be replaced for less.

The duplicate set of these 17 flags owned by the chapter will be exhibited in the Club Woman's Bureau in Mandel Brothers for the week of May 27 to June 1. The school children of public and private schools in Chicago as well as members of organizations have been invited to view them.
