Leslie Howard in "Scarlet Pimper- his administration. nel." The scarlet pimpernel is a tiny flower of England, owing to its vivid color it shows up at the foot of the hedgerow like a tiny flame. Baroness Orezy, a keen botanist, chose this little flower as the symbol of the daring fraud of secret adventures in less famous novel, "The Scarlet Pimpernel." Mystery sturounds the identity of the "Scarlet Pimpernel" hero of the 18th century, who, aided by his loyal comrades rescues unfortunate aristocrats from the fate of the guillotine during the French rev-olution and transports them to England and safety. Intensely interesting, thrilling and most delightful is this remarkably defected historical drama with its gorgeous settings. Magnificent photography, superb acting and outstanding direction.
