"-IT'S STARTING TO COME OUT AGAIN ROB. I WONDER IF I'M TO BE RAGGED AGAIN?"  
 "I WAS THE SAME WAY CHANG, 'TIL THEY FED ME WILSON'S IDEAL DOG FOOD. THAT FIXED MY SUMMER COAT AND GAVE ME A NEW LEASE ON LIFE!"

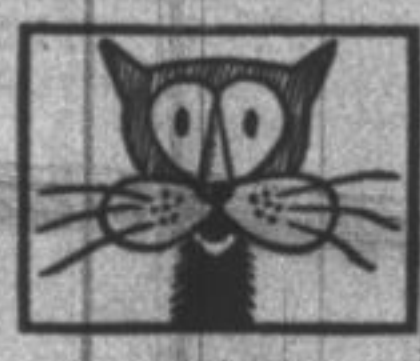

**"ROB IS RIGHT!"**

And your dog will tell you so, if you give him a chance; for Wilson's Ideal will be "tops" with him and no wonder! Here is a food that isn't just a lot of scraps thrown together, but just the right blend of carefully prepared ingredients that scientific tests have proved make an ideal meal for any dog. It has the meat products for proteins; wheat and rice for carbohydrates; edible, cooked bone for strong teeth, bones, and a healthy coat; carrots for roughage and vitamins; salmon for minerals, vitamins

and appetite appeal; and cod-liver oil for vitamins A and D.  
**Dogs Have a Word for It!**  
 Dogs do a lot of thinking, and not much talking, but actions and looks speak louder than words. Give your dogs Ideal and they will show you by their looks and peppy actions that they know the word is IDEAL!

Don't guess what's good for your dog. Give him the triple-inspected food that is fit for your own table and bears the Government stamp of approval. Convenient to serve from the tidy 10c can with the attractive label — and most economical — for it's all food... no waste!

"Wilson's Ideal Dog Food is MY dish, too!"
