Oak Terrace Music Club
Closes Season's Activity

Wednesday, June 5, the Music Club of the Oak Terrace School gave a musicale for their mothers in the kindergarten room, which was attractively decorated with flowers.

The first presentation was an original play written by Marion Berg of the fifth grade, which brought in several musical numbers. The rest of the program consisted of piano solos, piano duets, tap dancing and a group of two-part songs sung by members who are in the sixth grade. After the program, refreshments were served.

This musical was the club's concluding meeting of the year. The new officers for the coming year are Carolyn de Bartolo, president; Doris Kjellquist, secretary; Louise de Bartolo, treasurer.

TRAINS EVERY DAY!

Two lines of service—Skokie Valley Route and Shore Line—for your greater convenience... operated mainly on private right-of-way, away from highway traffic... in Chicago, on the "L"—above street congestion... depend on North Shore Line trains to get you there on time!

NORTH SHORE LINE

"A FAST TRAIN WHEN YOU WANT IT"

Victor Moore Says: "It's the Top in Motor Cars"

Victor Moore, now starring in Broadway's biggest musical hit, "Anything Goes", says: "I bought my new Dodge because of its striking looks... and was delighted to find that it gave me amazing gas and oil economy."

And Mrs. Gertrude Regal, 2953 Decatur Ave., Bedford Parkway, N. Y., N. Y., says: "I've got plenty of friends who own small cars, but none of them save money the way my new Dodge does. I get from 3 to 5 more miles per gallon of gas than they do, and my oil costs are as much as 20% less."

Wherever you go, the story is the same. Owners are simply amazed at Dodge economy. And yet that's only one of its advantages. You, too, can enjoy the extra roominess, comfort and luxury of this big, sturdy Dodge—for a trifling few dollars more than the lowest-priced cars. List price now only \$645 and up at factory, Detroit.
