

Miss Dorothy Melville of Beloit College is home to spend the summer with her parents, Mr. and Mrs. Charles Melville of Ridgewood drive. Miss Katherine Imig of Deere Park is spending the summer at Camp Hickory Hill, Edgerton, Wis., as a dramatic instructor.

Major and Mrs. Van Hook of Ft. Sheridan entertained the medical bridge club on Tuesday evening.

Mrs. K. T. Wood and daughter, Lucille of Glencoe Avenue, left on Tuesday for Gloucester, Mass., where Miss Wood will study this summer. Mr. and Mrs. Ernest Vasey of London, England, arrived Wednesday to spend the summer with Mrs. Vasey's sister, Mrs. William Pearce of Glencoe Avenue.

The sons and daughters of many families of Highland Park will be leaving this week for an outing at summer camps in northern Wisconsin. The following boys and girls will leave Tuesday and Wednesday for Camp Minocqua for boys are Herbert S. McAllister, son of Mr. and Mrs. S. G. McAllister, 2754 Deere Park drive; Charles R. McKay, son of Mr. and Mrs. C. R. McKay, Exmoor Country Club; William J. Moore, son of Mr. and Mrs. K. W. Moore, 349 Hazel Avenue; and Frederick C. Trimble, son of Mr. and Mrs. Robert Trimble Jr. of the Moraine Hotel. Going to Clearwater camp for girls is Catherine Jones, a

daughter of Mr. and Mrs. Claburn E. Jones.

Mr. and Mrs. Albert Childs of S. First Street are announcing the birth of a daughter, Tuesday, June 25, at the Highland Park Hospital.

UNDER THE STATEHOUSE DOME

Courtesy of John Stelle, State Treasurer

The Insurance Code Bill, drawn by Director Palmer of the Insurance department passed the House this week, after a long drawn debate in which nearly everyone took part. The bill received 105 votes. The bill has to do with the regulating of insurance companies in this state. It has been fought by the Mutual companies, and others, but the legislature seemed to think that some of the insurance companies in the state needed regulating; that certain fly-by-night companies are constantly springing up over the state which are short lived. They were also of the opinion that only financially strong companies should be allowed to operate in order that those who take insurance will be certain that after their death the policies will be paid to their heirs.

While the new Insurance Code is a strict bill, yet it seems to be an equitable bill, and one that will be

of great benefit and certainty to the people of the state. Indications are that it will have a speedy passage through the Senate.

Money for Old Age Pension
That ample means for administering the Old Age Pension will be available is evidenced by the following bill which was introduced in the Senate and the House this week:

"The sum of \$5,000,000 or so much thereof as may be necessary, is appropriated from the general fund of the State of Illinois to the Department of Public Welfare until the expiration of the first fiscal quarter after the adjournment of the next regular session of the General Assembly for the purpose of administering the provisions of the 'Old Age Security Act,' enacted by the Fifty-ninth General Assembly."

The bill was sponsored in the House by Representatives Lenane, Prignano and Collins, and in the Senate by Senators Stuttle, Williams, Kariker, Clifford, Menges, O'Connell and Graham. All of these gentlemen deserve and should receive the everlasting gratitude of the old people of this state for their untiring efforts to enact a law that will assure for the old people of Illinois a happy contented old age.

Old Age Pension Passes Senate
The Old Age Pension Bill has passed the Senate and it is now ready for the signature of the Governor, to become a law. Already the machinery has been started to raise the funds to take care of the law

and it looks now that in a very short time the old people of Illinois will be taken care of in their old age. The bill is a real constructive piece of legislation and similar laws are in effect in several states of the Union.

Stuttle Bills Draw Fire

There seems to be opposition in some quarters to the bill of Senator Stuttle which has passed the Senate and which "amends Section II of Article XIII of the Cities and Village Act whenever a vacancy occurs in cities under the commission form of government, shall be filled by the defeated candidates receiving the highest number of votes at the last general municipal election, and if he be not available then the one who received the next highest number of votes, and so on down the list. If the entire list becomes exhausted, the city council shall appoint a person to fill the unexpired term." Indications now are that the bill will pass.

New Bills in the House

Bills still continue to be dumped into the hopper—although adjournment of the regular session is only a short time off. In our estimation very few of the new bills stand any show of passing. The new bills introduced this week are as follows:

Bolton—Makes giving or accepting of a tip in connection with check rooms a misdemeanor.

Holton—Revises the law in relation to the conservation of wild birds and animals.

Holton—Rewrites the law relative to the conservation of fish, frogs and muskells.

Shannon—Gives cities the power to acquire land for armory purposes.

Van Der Vries—Creates auditing grand jury whose purpose shall be to audit the books of all public officials, such grand jury having power to issue subpoenas and return indictments.

Weber—Permits official publications in secular newspapers.

Boyle—Appropriates \$45,000 to Secretary of State to make the following repairs and improvements in the House; replaster ceiling; redecorating; installation of concealed loud speaker system; and rehabilitation of lighting system.

Adamowski—Requires all receivers of public monies, except county treasurers and collectors, to keep account of such receipts by written entries.

Adamowski—County employees pension fund.

Adamowski—Eliminates assistant chief clerk of election commission from county payroll and puts him on city payroll.

The Original Stables Built in 1876 by Edwin Dean, remodeled May 21, 1927 by L. H. Dietz.

The barn, known as the Dean Barn, was built on this site in 1876 by Edwin Dean was used as a stock barn for over 50 years. Remodeled May 21, 1927, by L. H. Dietz, operated as a restaurant and dance hall for seven years.

It was destroyed by fire on June 23, 1934. Rebuilt and opened the present Stables June 30, 1934.

The management wants the public to know that the loyal support and patronage of its many friends made this possible and in appreciation is taking this opportunity to thank its patrons.

Mr. Dietz hopes to have continuance of the friendship and patronage and says he will endeavor to serve his patrons as in the past.

The anniversary of Dietz's Stables will be celebrated on June 30, 1935.

Information on celebration is to be found on another page of this issue.
