SEA SCOUT SHIP

CRUISES LAKE MICHIGAN

The Sea Scout schooner "Albatross" owned and operated by the North Shore Area Council, in co-operation with region Seven, Boy Scouts of America, is to be under sail for the entire summer, taking aboard Sea Scouts from all over Region Seven for all of the long cruises.

The skipper of the Albatross is James B. Park, who was one of the Sea Scout crew on the Borden Expedition to Alaska several years ago.

The mate and cook is Roderic Smith of Highland Park, who acted in the same capacity last year. Ten Sea Scouts of the Sea Scout Ship "Lightning" of Lake Forest will go on an overnight cruise Saturday and Sunday last week.

BERT FINCH GOES OVER BIG AT SCOUT CAMP

Bert Finch of Astoria, the new chef for Camp MaKaJaWan, has in his first week of cooking outdone all other chefs in popularity and good cooking, according to Scouts and staff members. He has been preparing consistent good food before them in his kitchen. He is not only doing all the cooking, but is baking all the breads, doughnuts, sweet rolls, cookies, cakes, and pastries.

Just by way of rehearsing his cooking record: He was for 15 years at Everett's in Seattle, Wash. Everett's is recognized as one of the most exclusive restaurants in that neighborhood. He was also for several years the chef at the Butterfield Hotel in Astoria where he has made quite a reputation for himself. He has also been in the restaurant business for himself.

Mr. Finch is determined that everything that is served on the table this summer is to be nothing but the best, and he is starting the camp season with approximately \$1200 worth of food in the store house.

122 SCOUTS ENCAP FOR FIRST PERIOD

122 Scouts arrived on Monday, June 24, at Camp MaKaJaWan at Pearson, Wis., to begin a two weeks' camping period of fun and adventure. A camp staff of 35 Scout leaders are operating a program of varied activity and reports of the good times will be coming back to the North Shore in letters for these Scouts.

Three things which Scouts will find plentiful this summer, and those three things are fun, food and fellowship. A fourth one might be included: that of Scout advancement. Scouts have great opportunity to advance in rank at camp. Expert instructors are prepared to help them. A huge chart will record each Scout's progress in Scout advancement.

NOTES FROM CAMP MA-KA-JA-WAN STAFF

Following are excerpts from letters written by staff members who were in camp during the set-up period:

"MaKaJaWan is getting in shape for what all of us think is going to be the greatest year the camp has ever seen. About 29 of the staff were up at camp all last week getting the camp all set up, painting boats, pitching tents and other odd jobs.

"Jim Mooney got a new nature trail laid out for nature lovers. Bob Skidmore and Paul Allen got things all lined up in the kitchen and dining room so that Mr. Finch, the new chef, could operate in his own incomparable way. Someone asked whether the cook was showing off by producing such good meals, but such is not the case, because they were all so good."—Bob Greenhough of Winnetka.

And from Don Tompen of Winnetka: "Who said the camp wouldn't be ready for the Scouts? Boy, the camp sure is swell this year! It's twice as good as last year, and WHAT food! The staff really are swell—this might be a good year to beat the camp at his own game. If you want to see a swell lake from a canoe, sign up for two weeks of fun at MaKaJaWan."

"We have just received a new supply of equipment for the Q.M. and everything is new. There are a number of entirely new articles which are for sale at the store and you are going to receive good service all summer long." This from Bob Ehler of Winnetka, Q.M. director.

Ed Koebelin of Deerfield is enthusiastic also when it comes to the camp. He says: "The camp is better than ever this year, and Chef Finch is one peach of a fellow!" Charles Clark of Winnetka, new member of the camp staff, recently coming from Texas, has this to say about camp: "I have been in five Scout camps and I can easily say that I like the organization of this one better than any I have ever seen. One thing that impressed me is the ease with which I was able to make friends with other members of the camp staff. The fellowship is great."

D. A. R. Better Films Committee Review

Thursday, June 27, "Gold Diggers of 1935," featuring Alice Brady and Hugh Herbert. A light and amusing musical comedy with a fashionable hotel as a setting. The action is concerned with the efforts of a group of gold diggers to extract money from a wealthy but miserly dowager. Sprightly music, artistically arranged dance sequences, clever dialogue and clean fun mark the production. The photography and direction are outstanding and the acting of Alice Brady and Hugh Herbert is worthy of special mention. Adults and young people.

Friday and Saturday, June 28-29, "McFadden's Flat," with Walter Kelly, Andy Clyde, Jane Darnell. The rise of McFadden from hood-carryer to builder and the final happy ending of his trials and tribulations are told in an amusing, fast moving story full of robust humor. The crossing of Scotch and Irish humor, the contrast of false pride and the true worth, the lessons of tolerance and good fellowship and the fine loyalty of a friend are all completely developed in excellent farce comedy manner. Delightful entertainment, Family.

Sunday and Monday, June 30 and

July 1, "Stolen Harmony," featuring Ben Bernie, George Raft, Grace Bradley. The leader of a well known band of musicians adds a released convict to his group. In a nationwide concert tour by bus the band is kidnapped and the resultant situations prove the suspect worthy of the confidence originally placed in him. A logically told story with tense and gripping situations for dramatic interest and the enjoyable Ben Bernie and his orchestra for lighter entertainment. Adults and young adults.

Tuesday, Wednesday, July 2 and 3, Will Rogers in "Handy Andy." A druggist retires because of the pressure of his socially ambitious life—turns the tables by becoming "too social" and is rewarded when his perturbed wife allows him to return to business. An entertaining human family picture filled with healthy humor and hearty laughs. All ages.

Thursday, Friday, July 3, 4, "Air Hawks" with Ralph Ballamy. An exciting drama of airports, rival air companies and a "death ray" used by one airline to destroy the ships of another in an attempt to put it out of business. Pathos, tragedy, humor and romance are combined in a convincing and strongly dramatic story. Exceptionally well photographed. Adults and young adults.
