**Van Ostenkaut Wins Sunset Bump-A-Long**

When it comes to having fun, we are told, members and guests of Sunset Valley Golf Club seem to enjoy it immensely. Of the 177 that played, about 49 walked away with prizes in the Bump-a-Long Tournament last Thursday.

William Van Ostenkaut won the draw prize, a beautiful cocktail set. Lt. Kearney of Fort Sheridan won the low gross with an 80. Second low gross went to George Glader who had an 81. In the blind bogey bracket, John Gifford won the first blind bogey, and Lt. Hartley of the Fort won second — incidentally another highball set. There were about 40 other small prizes for high hole, low hole, birdies, putts, etc.

George O'Connell and his committee are being congratulated on the nice piece of work in arranging the tournament.

Of the matches played in the President's (not Prisoner's) Cup, N. Fell defeated Art Cook 3 and 2; George Titman defeated R. E. Rosenthal 7 and 5; and Fred Fell defeated Ed Prosser 3 and 2.

In the blind bogey tournament last Sunday, B. O. Brand won with 81-9-72, and Oscar Stuenkel came in second with 71-8-73.

**Boosters Win Over Waukegan Wiremen**

American Steel and Wire, leading the Tri-City Industrial Baseball League team, who have met with few defeats this season, were victims Sunday of a 15-4 thumping by the Highwood Boosters.

Yearly pitched for the Highwood team and kept 10 American Steel hits well scattered, while Bradley featured at the plate for the Boosters with a pair of doubles and two singles.

Moreno Maestri, the new Booster manager, revised the Booster lineup Sunday and was rewarded with a victory.

Lineups:

**Deerfield Loses To Lill Coal Team**

Deerfield is still on the bottom of the Northwest League as a result of the Lill Coal Team of Evanston game at Foster Field Sunday. The Evanston semi-pros scored 2 in the second on Roger Kilby's getting to first on being hit by a pitched ball. Then Mellon's sacrifice, Hughes' hit, Warren's error on Robinson's grounder and Thompson's single. Two more came in the seventh but were not needed by the victors.

The losers' lone run came in the eighth after two were out when Warren reached first on a hit, stole second and third, and scored on Kilby's error. Thompson held Deerfield to 4 hits and a walk.

**Indians Again Beat Highwood Boosters**

The Highwood Indians, 1934 city champions, again proved themselves the masters by defeating the Boosters 3-2 last Thursday evening in an exciting twilight game. The game was well attended by supporters of both teams.

Before the game, the Boosters were the recognized favorites, since they had several new faces in their line-up. However, these made no difference to Gualandri who pitched masterful ball and up to the eighth inning had allowed only two hits.

The Indian's attack was led by Zeke Campagni, who had a double and a single to his credit. Bradley and Russell accounted for four of the Boosters' hits. In the eighth inning the Indians quickly took advantage of some poor fielding by the Boosters and pushed over two runs which gave them their undisputed victory.

Indians	ab	r	h	Boosters	ab	r	h
Bianchini	3	0	1	Smitty	4	0	0

**Two Divisions in Twilight League**

It was the intention of the officials of the Twilight Indoor Baseball League to divide the league into two divisions after the end of the first round, putting five teams in a senior division, and five in a junior division.

Due to inclement weather and other unavoidable postponements, there are still to be played quite a number of games on the regular schedule before a fair division based on percentage could be made.

It has been decided because of this to play another round on the same basis at the first and then at the end of this round the winners of the two rounds play for the league championship. In this way postponed games from the first round may be played off during the time of the playing of the schedule in the second round.

Team standing and number of the postponed games to date follows:

Deliber Garage	Pct.	Won	Lost	P.P.
Duffy and Duffy	.552	5	4	1
Connolly's Garage	.500	4	4	2
Rock's Service	.750	3	1	0
Nelida's Shop	.500	3	3	1
H. P. Merchants	.500	3	3	1
Fella's Clothiers	.333	2	4	1
Black Hawks	.333	2	4	1
Reinbows	.250	1	4	2
Tipton's Aces	.000	0	5	2

**Girl Scout Day Camp Held Each Wednesday**

A record attendance is expected on Wednesday, July 10, for the opening of the Girl Scout day camp, a new project for Highland Park Girl Scouts, which will bring all the advantages of life at camp to the girls who are home for the summer. Every Wednesday in July the girls

will come to Sunset Park to participate in all camp activities, from 9:30 to 3:30. There is a shelter in case of rain, and adequate facilities for cooking lunch outdoors in true scout fashion.

Miss Adema Hadley, local director of the Skokie Area Girl Scout Council, is the camp director, assisted by experts in scout and camp activities, with one adult to supervise every eight girls. No scout will

be admitted to camp without a permission slip signed by her mother.
