

COUNTY BOARD SEEKS TO SAVE \$50,000.00

(Continued from page 1)

quired that the sheriff's highway police be limited to six men.

A motion was made by Supervisor Frank Davis to strike section 8-A of the economy program, pertaining to the limitation of the sheriff's force. It was seconded by Supervisor Homer Cook. The motion was lost by a vote of 13 to 19, most of the supervisors from the rural sections of the county voting for the motion. The 19 votes to limit the sheriff's staff to six highway police came almost entirely from supervisors and assistants of the shore area.

The recommendation to reduce all salaries of county employees, effective July 1, for one year met no open opposition from any of the supervisors. Supervisor Charles Hershberger wanted to introduce a motion to include the members of the 1935 board of review in this measure, but when it was shown that the schedule of daily fees was lower than last year, he took no action.

All salaries from \$175 and up a month are to be reduced by 5 per cent; \$150 to \$175, 4 per cent; \$124 to \$149, 3 per cent, and \$101 to \$124, 2 per cent.

No cuts were made on salaries of \$100 or less. The recommendation also provides that all county employees be engaged on a monthly basis, and paid semi-monthly. All extra clerical help is to be engaged at not more than 50 cents an hour. Employees at the Lake County General Hospital and at the poor farm are affected by the salary slashes in the same manner that employees in the county building, Board

and room at the county institutions of employees is included in the monthly pay of employees at a rate of \$30 a month for room and board. The allowance rate of meal prices for jurors and the reduction of the janitorial staff from five to four janitors went into effect July 1.

"Five janitors are now employed in the courthouse," the report said. "A study of the situation reveals that the janitors' work of this building can well and properly be done by four men. We therefore recommend that the sheriff be requested to dismiss one janitor."

All other economy measures advanced by the ways and means committee on Feb. 28 and revised by the special committee were adopted.

A number of measures require legislation. These recommendations stand approved by the board and the general assembly will be asked to pass them at the next session.

Those requiring legislation include the reduction of daily jury fees from \$5 to \$4; the rule that fee earning offices deposit all earnings with the county treasurer, combining probate and county courts, and shifting to the state treasurer the payment of blind and mothers' pensions.

Other recommendations approved include that Lake County is not to do business with any firms or persons not paying their personal property taxes, the state's attorney to carry on legal action against personal property tax delinquents and against townships in arrears for the care of persons in the county hospital and poor farm, cities and villages to pay for the keep of their prisoners in the county jail and the reference to committees on working out plans for savings on heating the county buildings, and on lighting and telephone service.

Playgrounds schedule

With activities getting well under way and the enrollment daily increasing, the Highland Park playgrounds, sponsored by the East Park Board, show promise of even greater success than in previous years, we are told. Children are urged to register as soon as possible if they have not already done so in order that they may enjoy the full benefits of the activities offered this season.

Swimming instruction, which had shown such fine results last year, is being carried on again this year. It is hoped that the children will take advantage of this opportunity to learn to swim.

Baseball games for boys and girls have been arranged on the several playgrounds and is proving very popular with the playground groups. In the games last Thursday morning the teams from Ravinia, and teams from Lincoln and Port Clinton were victorious, Lincoln playing those from the Sunset Park.

In addition to these two major activities offered on the playgrounds, volleyball, horseshoes, badminton, tennis, and various other games may be participated in by the children under supervision of playground instructors. These games may also be played on Monday, Tuesday, and Thursday nights at the Lincoln and Sunset playgrounds, as instructors are on duty on these evenings as well as every week-day.

Every child residing in Highland Park is welcome to the playgrounds at any time they choose to attend.

The schedule of activities for the next week follows:

Monday morning, July 8—Sunset, Port Clinton, Lincoln groups to the Central beach for swimming instruction. Ravinia group to Roger Williams beach for swimming instruction. Monday afternoon: A general program at Sunset, Port Clinton and Ravinia.

Tuesday morning, July 9: Boys' baseball, Sunset at Ravinia; Lincoln at Port Clinton. Tuesday afternoon:

A general program at Sunset, Lincoln and Ravinia.

Wednesday morning, July 10: Girls' baseball, Lincoln at Ravinia, Port Clinton at Sunset. Afternoon: Sunset, Port Clinton, Lincoln groups to Central beach for swimming instruction.

Thursday morning, July 11: Boys' baseball, Sunset at Port Clinton, Lincoln at Ravinia. Afternoon: A general program at Sunset, Lincoln and Ravinia.

Friday morning, July 12: Sunset, Port Clinton, Lincoln groups to the Central beach for swimming; Ravinia group to Roger Williams beach for swimming instruction. Afternoon: A general program at Sunset, Lincoln, Port Clinton, and Ravinia.

Library Notes

Newberry Medal The John Newberry Medal, awarded annually for "the most distinguished contribution to American literature for children," was presented this year to Monica Shannon for her book, "Dorby." The selection was announced Wednesday at the annual convention of the American Library Association, meeting in Denver, Colorado. The book is a story of Bulgarian peasant life seen through the eyes of a growing boy. The Newberry Medal is donated annually by Frederic G. Melcher, editor of Publishers Weekly.

Bookplates The exhibit in the library lobby this week is on the intriguing subject of book plates. The library has several books about bookplates—the history of bookplates, bookplates of famous people, and aids to the booklover in choosing a plate.

One exhibit case is devoted entirely to the bookplates of Frank Reichmann of Ravinia, whose delicate and artistic work is swiftly bringing his name into prominence as a master in this field. His plates are also on exhibit at Kroch's and Brentano's Bookstores in Chicago.

Deerfield Centenary

Congratulations are due the committee in charge of the Deerfield Centennial held on June 28th, 29th and 30th. The map, programs, posters, etc. were works of art and are worthy of preservation in the collection of historical material on Lake County which the Highland Park library is now equipped to house and preserve.

Vacation Suggestions Two books have recently been received at the library which every true vacationer will relish. The first is: "Hiker's Guide," by Ben Solomon. This small pamphlet of ninety-five pages may be bought for twenty-five cents and tucked into a good-sized pocket after it has been perused. This it should be, several days prior to the start, because of its valuable suggestions.

The second is: "Who Reads What?" by C. H. Compton. This small volume will offer suggestions of the right sort for summer reading. Mr. Compton has discovered not only who reads Mark Twain, Henry James, Hardy, Sandburg, Shaw and the Greek classics, but tells why.

This is no dry as dust volume, and every good reader will enjoy it and try it.

First United Evangelical Church S. Green Bay Rd. and Laurel Ave. A welcome to all.

Sunday: 9:30 Church Bible School. Supt. R. H. Fidler.

10:45 Divine worship. Children's sermon.

3:00 Service at Railroad Men's Home.

A Letter Addressed to the People of Highland Park & Deerfield on the Occasion of our 10th ANNIVERSARY

July 1, 1935

10 Years Ago...

Oil was just starting to be used for home heating. It was experimental—burners were not dependable. Today, oil is recognized as the most practical of fuels, and modern oil burners are perfected beyond the fondest dreams of ten years ago. Through these years of development, Braun Bros. have served the North Shore. Now, as in our first announcement, we say "FOR FUEL—USE OIL!"

BRAUN BROS. OIL CO.

"for fuel use oil"

Our First Public Announcement...

We reproduce below, our first advertisement which appeared in North Shore papers on August 14, 1925.

Advertisement for Braun Bros. Oil Co. featuring a large illustration of a car and a letter addressed to the people of Highland Park & Deerfield on the occasion of their 10th anniversary. The letter discusses the company's history and the benefits of their oil products.

"FOR FUEL—USE OIL!" Use High Grade Heating Oils in accordance with the specifications of the manufacturer of your Oil Burner. Our Heating Oils are purchased from the largest and most reliable refineries. We guarantee that these oils are of highest grade and uniform quality. We have installed large oil storage tanks near Winnetka and are therefore equipped to give prompt delivery. You Can Depend On Us In Zero Weather. PERSONAL SERVICE Braun Bros.
