Sunday morning there is "Our Christian Responsibilities." The text is Gen. 43:8-9 and 44:34. "Send the lad with me. . . I will be surety for him; of my hand shalt thou require him; if I bring him not unto thee and set him before thee, then let me bear the blame forever. . . For how shall I go up to my father and the lad be not with me?"

In the evening service, Bob will bring an evangelistic message on the theme, "The Way Into Heaven." John 10:9—"I am the door: by me if any man enter in, he shall be saved, and shall go in and out, and find pasture. Bob is a graduate of Deerfield-Shields High School and in the fall he will enter his senior year at Wheaton College.

Indians Better Donkey Riders Than Boosters; Win 1-0

The largest crowd to see a ball game in Highwood saw the Indians and Boosters battle Tuesday evening at the Indians field with new weapons. These were in the form of donkeys who went by the names of Dillinger, Parker and the like. The Indians won 1-0 after they had successfully coaxed one of the mounts to cross the plate. The crowd, however, cheered for the black donkey which proved itself better than any Indian or Booster. Many pinch-hitters attempted to ride the bucking donk but none were successful.

This game was just a warm-up for the second clash between the rival teams to be staged Thursday evening at the Booster field. The Indians won the first game 3-2 several weeks ago and are confident of repeating their victory, whereas the Boosters, playing on their own field, are out to avenge their previous defeat.

The Indians consider themselves in trim for they have played five games during the past week. Last Friday they played the strong Oakes Nine of Waukegan and after trailing 7-1 in the fourth inning, came

back to win a closely contested game by a score of 9-8.

On Sunday the Indians lost a 10-inning game to the Glenview A. C. The score at the end of the ninth was 5-4, and the Glenview team scored two runs — their half of the tenth — which the Indians were unable to overcome.

Next Sunday the Indians will meet the Evanston Colored Giants at the Highwood field at 2:30 p.m.

Highwood Woman Is Awarded Refrigerator

Mrs. D. Jacobassi, of 334 North avenue, Highwood, was awarded an electric refrigerator by the Highwood Improvement Association last Saturday evening in the Highwood civic park.

Girl winners in the popular contest were Irene Siverstrin, first; B. Leppert, second; Frances Liske,

third. The association thanks the business men and the community for making the affair a success. Their next meeting will be held in September.

CHRISTIAN SCIENCE CHURCHES

"Sacrificent" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 14.

The Golden Text was, "Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God" (1 Cor. 10:31).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Moreover, brethren, I would not that ye should be ignorant, how that all our fathers were under the cloud, and all passed through the sea; And were all baptized unto Moses in the cloud and in the sea; And did all eat the same spiritual meat; And did all drink the same spiritual drink; for they drank of that spiritual Rock that followed them: and that Rock was Christ" (1 Cor. 10:1-4).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Our Master taught no mere theory, doctrine, or belief. It was the divine Principle of all real being which he taught and practised. His proof of Christianity was no form or system of religion and worship, but Christian Science, working out the harmony of Life and Love" (p. 26).

IF YOU DO NOT AGREE THAT NORTHERN TISSUE AND GAUZE ARE THE FINEST BATHROOM PAPERS YOU'VE EVER USED!

Splinters Revealed by Microscope in 1014 Brands of Toilet Paper
Your child and every person needs protection against splintery bathroom tissues. Actual tests made by the laboratories of John Arthur Wilson, Inc.—on 1138 brands of toilet tissue proved that more than 89% contain splinters—tiny irritating particles of ground up wood.

Here Are Two Magnified Pictures—from Unretouched Photographs Taken Through a Microscopic Lens:

The one on the left shows a splinter or like the thousands the microscope finds in ordinary toilet tissue! Now look at the picture on the right.

This sheet of Northern Tissue was photographed through the same lens. No splinters here! Instead—a soft, absorbent fluff of the purest cellulose—with the "woven" texture that comes from "Linen-izing."
