## Fleischmann's Yeast FOR DOGS

"It's great the way my dogs thrive on Fleischmann's Irradiated Dry Yeast," writes Mrs. Christian F. Larsen, Paoli, Pa. "For two years now, I've been feeding it to my large litters of Great Dane and Cocker Spaniel puppies with splendid success. I have never seen such uniformly fine, heavy coats."

Your dog's coat is the most dependable barometer of his condition. Don't blame his itching and scratching on parasites when his diet may be at fault. Try a can of Fleischmann's Irradiated Dry Yeast. Just mix a small amount with his food. A 50c can contains a 4-6 week's supply.
