**CHRISTIAN SCIENCE CHURCHES**  
"Spirit" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, August 11.  
The Golden Text was, "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6:8).  
Among the citations which comprise the Lesson-Sermon was the following from the Bible: "O Lord, thou hast searched me, and knowest me. Thou compassed my path and my lying down, and art acquainted with all my ways. Whither shall I go from thy spirit? or whither shall I flee from thy presence? If I take the wings of the morning, and dwell in the uttermost parts of the sea; Even there shall thy hand lead me, and thy right hand shall hold me. Yea, the darkness hideth not from thee; but the night shineth as the day: the darkness and the light are both alike to thee" (Psalms 139:1, 3, 7, 9, 10, 12).  
The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "God is individual, incorporeal. Life fills all space, and it is impossible to conceive of such omnipresence and individuality except as infinite Spirit or Mind. Hence all is Spirit and spiritual" (p. 331:18, 22-25).

Evelyn Snyder will direct this service.
