**Answer to Last Week's You'd Be Surprised**

The age of rattlesnakes is not determined by the number of rattles. There is no connection between the number of rattlesnake rattles and its age. This belief is not substantiated by facts.

But the correct place to buy your children's shoes IS **FELL BROS.** By a special device we are able to measure their feet accurately . . . thus assuring perfect fit! Prices range from \$1.95 up to \$4.50
