This \$15, dispose of articles now may call ments, based on the fact that the spud is an eccentric sort of to have it duplicated. animal, whose productivity is almost impossible to control, have had no avail.

The new law did not have Administration support, and Milwaukee. In 1920 it had a popuseems to be regarded coldly by Secretary Wallace. It was put lation of 2,648; in 1935, 14,000. It is bicycles to school. It is against the through by zealots who feel that nature should be regimented said that this great growth is to be rules for any child to ride his bicycle as thoroughly as possible.

However, it is encouraging to report that various groups, led by well-known men, have announced defiance to such a liberty-destroying law-and have challenged its enforcement. The nioneer spirit, which detests any kind of dictatorship, is not of vocational education to take ing bicycles that do not belong to be required to also apply for and wet dead and demands the right to eat spuds without political charge of adult education activities. them. If anything happens to the obtain a new Illinois Certificate of

Library Notes

Saturday in the Children's Room Saturday was a red-letter day in the children's library, for appropriate ceremonies marked the end of the Treasure Hunt which has been going on during the summer. 234 boys and girls participated, 43 of them receiving certificates with gold seals and 24 certificates with blue seals. The gold seal indicates the reading and proper identication of elnes in 20 books, and the blue, 10.

Rowena Bastin Bennett gave sev- Shuster. eral delightful readings of her own poems which the children enjoyed immensely. Following this Mrs. Mussolini Boye, the children's librarian, pre-

Volleyball is played on Thursday evenings. The school plans winter sports to include hockey, skating, and tobogganing. The swimming pool is open on different evenings for men and women together and each sex separately. Instruction is given in swimming and diving. During the summer, the school pool is open on Sunday afternoons for fam-

ilies, parents, and children. "In the matter of recreational music, there is an acapella choir of distinction making plans for an Eastern tour, an orchestra, and a

"The adult school is operated by a staff of one director, two secretaries, four part-time clerks, and 67 faculty members. The enrollment fee to classes is \$1. The total cost home is assessed at \$6,500. On such a home the tax for the adult education and recreation purposes is \$3.96.
There are 1,200 students in the junior and senior high schools.

"The valuation, based on 80% of pre-depression values, is \$30,000,000. Our \$30,000,000 is, of course, based

about 17% of pre-depression values. In other words, the true valuation of Shorewood at pre-depression prices would have been ap-

counting Lake Bluff. "The adult education program Shorewood has met with widesprea enthusiasm. The people want it. provides pleasurable and proper leisure time activities several evenings a week. It develops a friendly more neighborly, community spirit and gives opportunity for newcom-
