CHRISTIAN SCIENCE CHURCHES

"Doctrine of Atonement" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, October 20.

The Golden Text was, "We are ambassadors for Christ, as though God did beseech you by us; we pray you in Christ's stead, be ye reconciled to God" (II Cor. 5:20).

Among the citations which comprised the Lesson-Sermon are the following from the Bible: "Wherefore seeing we also are compassed about with so great a cloud of witnesses, let us lay aside every weight, and the sin which doth so easily beset us, and let us run with patience the race that is set before us, looking unto Jesus the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of God" (Hebrews 12:1, 2).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight. . . I have kept the faith,' because you are a better man. This is having our part in the at-one-ment with Truth and Love" (p. 21).
