HIGHLAND, PARK, ILLINOIS THURSDAY OCTOBER 24, 1935

ON ALL NEWSTANDS 5c

CITIZENS ARE ASKED TO SAVE \$12,000

Information on Fire Insurance Premiums Will Pay for New Truck

In order to secure funds for a new fire truck needed by the city without cost to taxpayers, the city is asking residents to fill out blanks giving information on insurance policies held by them which are written by foreign (operating outside of Illinois) fire insurance companies.

Such companies are required by law to pay a tax of 2 per cent on premiums of policies sold in Illinois but the city is unable to secure accurate information on the amount due without paying heavy commissions unless the citizens co-operate in filling out the blanks.

Paying of the tax is an obligation of the company and policy holders or the agents who sold the policy will not be required to furnish any of the fee.

The desired information is as follows: number of years the policy has been in effect, name of company, agents name, policy number and the amount of the premium.

Co-operation in filling out these blanks will mean a direct saving to the taxpayers, as the truck needed is priced at about \$12,000 and if the funds are not obtained in this manner, it will be necessary to take them out of city funds.

Further information and blanks may be secured at the city hall.

Five Rotarians Attend Meeting Held in Aurora

Five members of the Highland Park Rotary club attended the Rotary meeting at Aurora on Tuesday evening, Oct. 22, when Edward R. Johnson, president of Rotary International, addressed the Rotarians of the Fortieth District. Mr. Johnson had just returned from the Rotary conference in Italy at which over 2,000 Rotarians and their families were present, mostly Europeans.

Those who attended from Highland Park were Lew Sinclair, president, Richard Purnell, Dr. C. V. Nichols, Charles Harbaugh and Erwin Dreiske.

In line with the "National Safety Week" members of the local club heard an address on "Safety" presented through the efforts of Joseph Garnett and Edward Schweitzer at their noon meeting held last Monday at the Green Tea Pot.

In order to stimulate interest in attendance, Rotary officers have decided to hold a ten-week attendance contest, starting next Monday, Nov. 4.

Lew Sinclair, president of the club, has divided the club into two teams: the "Army" under the leadership of "General" Harry Kelley, and the "Navy" under "Admiral" Lyle Gourley. In the "Army," each squad is under a "Corporal" and in the "Navy," an "Ensign." It will be the duty of these leaders to see that their "soldiers" and "sailors" are present at meetings of the organization.

The members of the losing side will have to pay \$1 each into the Crippled Children's fund.

H. P. Civic Orchestra Is Organized Here

A few weeks ago, the Highland Park Civic orchestra was but a pleasant dream in the minds of Mrs. Lee Frank, chairman of the Education department of the "Y," and of Mrs. Arthur Raff, who was given the privilege of organizing it. But last Friday evening, after an hour's work under the capable leadership of its conductor, Mrs. Helen Mayer Mannings, elections were held, which made it one of the important educational and recreational factors in the community. Meetings are to be held every Friday evening, at 8 o'clock, sharp, were held, which made it one of at the Presbyterian Church, and continue on 10 o'clock.

Concerts will be given from time to time which will undoubtedly be enjoyed by the music loving citizens in the community.

Although a small due is to be collected from the members, the payment of this due will be voluntary, and the organization is open to any citizen of Highland Park or the vicinity, who plays an orchestral instrument well.

The following officers were elected: President, Mrs. Eugene Engelhard; vice-president, Dr. I. M. Greenberg; secretary, Mrs. Arthur Raff; treasurer, Miss Marjorie Leaming, and librarian, Mrs. Oscar Franzen. Members are requested to bring their instruments and music stands to every rehearsal. Pauline Meyers Raff, Sec'y.

Highland Park To Celebrate Birthday of 500 New Citizens

The biggest birthday party ever held in Highland Park will be celebrated Friday evening, Nov. 1, at the Deerfield-Shields high school auditorium when the Citizens Education committee and the Dumaresq Spencer Post of the American Legion will greet all of the young men and women who have become of age with an elaborate ceremony, program and entertainment, to which the public is invited.

Under the direction of Mr. Richard L. Sandwick, chairman of the committee, Mr. Edwin Gilroy, commander of the Dumaresq Spencer Post and H. B. Aiston, American Legion officer, plans have been completed for band music, prize contests, drum corps, a choir of fifty voices, prominent speakers, and a most attractive ceremony which will be followed by a dance in the gymnasium which will be specially decorated for the occasion.

Governor Horner has expressed his desire to attend and he will be one of several notable guests who have been invited to take part in what will be one of the most outstanding programs of its kind to be conducted in the state of Illinois to celebrate Citizenship Day.

To the many who attended a similar program last year this has been an anticipated event and it promises to be even more outstanding in its many new features and added attractions. The state of Illinois has already paid tribute to the accomplishment of last year and the citizens of Highland Park have just cause to take pride in the fact that they have assumed a recognized leadership throughout the state.

Mr. Sandwick and Commander Gilroy cordially invite everyone to attend. There is no admission charge and the large auditorium assures an ample seating capacity for the thousand or more who are expected to be present.

Philatelic Society Seeks New Members

On February 26, 1934, about twenty stamp collectors met in the Highland Park Public library to discuss the feasibility of organizing a stamp club, locally. A temporary chairman, Mr. E. S. McConnell, and temporary secretary, R. E. Klinger, were appointed. The chairman then appointed a committee to act with the secretary and himself to formulate plans for organizing a club and to draw up a constitution and a set of by-laws.

The next meeting was held in the Masonic temple, April 16, 1934, at which time the constitution and by-laws were accepted. The club was also given the name of North Suburban Philatelic society, with meetings to be held the first and third Monday of each month. At this meeting Mr. E. F. Lewis was elected president, Mr. E. S. McConnell, vice president and Mr. Raymond E. Klinger, secretary.

The North Suburban Philatelic society now has forty-three members. Meetings are held each first and third Monday at the Elm Place school. These meetings are made very interesting with such speakers as Col. Ralph Kimble, Clark Collard and others, with auctions, stamp trading and other features.

The week of Nov. 4 to Nov. 10 has been set aside as National Stamp Week. Many of the larger philatelic societies throughout the U. S. are having banquets and exhibitions as stamp collecting has become a national hobby.

The local club will have several frames of stamps on exhibition, location of which has not been decided as yet, but the public should watch for them as they will be very interesting.

The club is anxious to increase its membership and all adults interested in stamp collecting are invited to attend the next meeting to be held Nov. 4 at 8 p.m. at Elm Place school. Mr. D. A. Grant of Evanston, well known stamp collector and a member of this club, will speak on one of the many phases of stamp collecting.

Tools, Car Stolen From Ford Agency

Tools valued at \$300 and a 1934 Ford sedan belonging to F. W. Mengden of Lake Bluff were stolen from the Purnell and Wilson Ford agency last Friday night by thieves who, apparently, secreted themselves in the building before closing hours.

Loss of the tools was reported Saturday morning to the Highland Park police department, but the loss of the car was not discovered until Saturday afternoon when the owner called for it. No clues have as yet been found as to the identity of the thieves.

Distribution of the Sales Tax

Local relief agencies, as well as those throughout the state, have, to a certain extent, been handicapped in raising funds for certain relief purposes, because of the widespread belief that the entire sales tax funds, averaging approximately three to four million dollars per month, are being used for relief purposes.

In order to correct this mistaken impression, the Highland Park Press, through the cooperation of the Highland Park Chamber of Commerce has secured the following information in regard to the Retailers' Occupational Tax and the purposes for which it is distributed.

The original 2% tax was inaugurated July 1, 1933, to be in effect for two years. This was later amended, so that from July 1, 1935 until December 31, 1936 the tax is to amount to 3%. Of the taxes collected in this period, one-third, goes to the emergency relief fund of the Illinois State Treasury, and the balance to the occupational tax fund. After December 31, 1936, as was the case prior to July 1, 1935, all moneys will go to the occupational tax fund, and none for poor relief purposes.

Taxes accumulated in this fund, therefore, amount to a two-thirds of the money now collected, and is distributed to the following agencies: blind relief, soldiers' compensation, bond interest and retirement, University of Illinois, Illinois waterways bond fund, school distributive fund and general revenue fund.

Thus it may be seen that the tax is one that may lighten the load of local relief, to a limited extent until a year from December of this year, and after that time, not at all.

CHOOSE 9 SUBJECTS FOR ADULT EDUCATION

Registration To Be Held on Monday Evening from 7 to 10:30

As a beginning, nine widely different subjects have been chosen for the main hallway, just outside the office of the main high school building.

As many teachers as possible will be present to discuss the work. There seems to be a demand already for the following subjects, but in no way does this prevent the organization of other classes later.

Typing and advanced shorthand. Woodworking: plain carpentry, cabinet making, woodcarving, toys, ship models, etc.

Applied arts: Linoleum and wood blocks, designing, stencils, weaving, Batik, puppets, masks, etc. The adult education classes at the high school. Registration for these classes will be held Monday evening, Nov. 4, from 7:30 to 10 o'clock in Drawing and painting: Still life, models.

Sewing: Plain sewing and dress-making.

Metal work: Pewter, aluminum, copper.

Chorus: Part singing for men and women.

German rhythmic dancing: Body conditioning.

Athletic work: Basketball, volley ball, badminton.

The fee for each class is \$1.00 for a term of ten lessons. Class work will start Nov. 11 at 7:30 p.m. The classes will be held every Monday evening (except Christmas holidays) for a period of ten weeks. Besides the registration evening there will be a registration office, information and an exhibit of arts and crafts work at 16 North Sheridan Road, Moldaner & Humer building, this week and part of next. Also Mr. Scheuchenpflug's office in the Social Service building will be open for information, telephone H. P. 858.

He holds the record with the famous Chicago Executives club of eight successive appearances: was the speaker of the evening before the Automobile Show Dinner in

Having a deep understanding of the philosophy of courage, scientific knowledge of the psychology of laughter, and the magnetic personality of a forceful and humorous speaker, Mr. Newcomb will leave with all those who hear him on Tuesday a very definite contribution (Continued on page four)

Deerfield-Shields Visiting Night To Be Held November 7

The annual visiting night at the Deerfield-Shields high school will be held Thursday evening, November 7, from 7:15 to 9:15. This meeting is sponsored by the Parent-Teacher association and is the regular November meeting.

The teachers will receive parents for conference in their class rooms and all parents are urged to take the opportunity of meeting their children's instructors and becoming acquainted with the organization of the school and its work. The entire evening will be devoted to conferences.

The hospitality committee of the P.T.A. under the direction of Mrs. Orland Wilder will serve refreshments in the English club room.

Edward C. Welsh, Former Resident, Dies in Chillicothe

Edward C. Welsh, of Chillicothe, Ohio, passed away at his home on Tuesday of this week. Mr. Welsh, 62 years ago, was manager of Exmoor Country club and later, manager of the old Ravinia Park Casino. He will be well remembered by older residents of Highland Park.

Mrs. Welsh died about two years ago.

Ft. Sheridan Woman's Club Party Nov. 2

The first annual card party given by the Ft. Sheridan Woman's club will be held at the hostess house, Ft. Sheridan, Saturday evening, November 2. Bridge, five hundred and bunco will be played for which prizes will be awarded.

Dr. Hugh S. Magill To Address Members of Fellowship Club

Dr. Hugh S. Magill, president of the American Federation of Investors, will speak on "The Preservation of American Ideals" at the next meeting of the Men's Fellowship Club of the Presbyterian Church, which will be held Monday evening, Nov. 4.

Among the various positions he has filled are those of superintendent of schools in various Illinois cities, state senator, president of the Illinois State Teacher's association, and executive secretary of the National Education society.

Included on the program will be the exhibition by the Wilson Dog Food Company of "Snoozer" a trained collie, insured for \$50,000, who counts, tells time and performs other feats, which apparently indicate an ability to reason.

Movie Travelogue at St. Johns Church

A motor ramble through Syria and Palestine. The most interesting and complete movies ever filmed of the Holy Land. The trip will include:

The eastern shore of the Mediterranean Sea including Rhodes, famed for Crusaders and Colossus, Tarsus, birthplace of Saul, Syria, Damascus, Street called Straight Mosques, veiled women, native bazaars, funeral processions, shepherds, separating the wheat from the chaff, Sea of Galilee, Jordan river, Nazareth, Mary's well, Camel trains, Jerusalem, praying at the wailing wall, Mosque of Omar, Mohammedan at prayer, water carriers, Garden of Gethsemane, Mount of Olives, Jericho, Good Samaritan hill and many other unusual scenes.

Donald G. Robertson is a graduate of Northwestern university. Now manager of the Hearthstone Tea room, 920 Linden avenue, Hubbard Woods.

Mr. Robertson's interest has always been in traveling. Besides being an enthusiastic traveler and movie photographer, he is the composer of many Northwestern university songs. As an army camp entertainer he was author of a best seller, "War Time Laughs."

His globe trotting activities include the conducting of three summer tour parties through Europe, including Russia and the Fjords of Norway, an extensive Mediterranean cruise and five winter cruises through the colorful islands of the West Indies.

St. John's Evangelical church, Green Bay and Homewood avenues, offers you the opportunity to hear Mr. Robertson Sunday evening at 8 o'clock. The public is cordially invited.

Alycon Showing Gene Stratton-Porter's Novel

Of all American authors, perhaps Gene Stratton-Porter is the best loved, and of all her loved novels her finest is "Freckles," which now comes to the screen of the Alycon theater on Friday and Saturday.

This stirring tale features Tom Brown, Carol Stone, and little Virginia Weidler. Will Rogers' persuasive wit makes "Steamboat Round the Bend" a rare entertainment treat at the Alycon theatre Sunday through Tuesday. Will's a traveling doctor who longs to be a Mississippi river captain—and he's the hero in one of the most interesting steamboat races ever viewed on the screen.

Action is the watchword of today's entertainment. "Woman Wanted," which will be screened on Wednesday and Thursday, Nov. 6 and 7, is action plus hair-raising mystery. It launches a new romantic team in Maureen O'Sullivan and Joel McCrea.

Accident Victim Dies of Injuries

Frank Wenhe, 49 years old, 622 Martin avenue, Waukegan, a building contractor, died last Thursday in the Highland Park hospital during the day of injuries incurred when he was struck by the automobile of Simon Rutwicz Jr., 23 years old, 340 Moraine road, Highland Park.

Hallowe'en Party

Members of the Methodist church of Highland Park are planning a Hallowe'en party and welcome for Rev. Tinker, the church's new minister, on Friday evening of this week at 7:30.

A general invitation is extended to the public and announcement is made that plans for the party include entertainment for both young and old.

ELM PLACE GETS WPA CONFIRMATION

Confirmation of Telegram Received by Press Comes Monday

Confirmation of the WPA grant for Elm Place school, first knowledge of which was received here in a telegram to The Highland Park Press, was received by members of the school board on Monday of this week.

The allotment, which is for \$10,361, is to be used for landscaping and improvement work about the school grounds. This work includes the building of a retaining wall to support the north side of the ravine at Elm Place school, the installation of a playground in the ravine, concrete steps from the intermediate building down to the ravine and the enlargement of the two playgrounds at the Green Bay Road school.

No word on PWA Funds

No word, however, has been received on the PWA grant necessary in order to open the old building located at the corner of Elm Place and Sheridan road, which has been closed for several years. Loss of the use of the many class rooms in this building has meant detrimental crowding of the students, and it is therefore, of the utmost importance that this PWA grant be secured.

Following the receipt of the telegram from Senator James Hamilton Lewis, informing us of the PWA grant, The Press wired him, pointing out the great importance of the PWA project and requested his support in securing it. Although no word has as yet been received as to when the project will be passed on, active work is being done to assure its approval.

Boy Scouts Sponsor Barn Dance Program

The Boy Scouts of America, district of Highwood, Otto F. Fisher, finance chairman, is sponsoring one of the Prairie Farmer-WLS reproductions of National Barn Dance shows by local talent at the Oak Terrace school on Nov. 7-8-9.

Tryouts for the event will be held this week on Friday and Saturday at St. James parish hall beginning at 7 p.m. All musical and dramatic talent is invited to meet the director, Nell O. Pritchard, from the Prairie Farmer-WLS staff, presenting to her the selection or selections which they have chosen for this particular event. She will select characters who will impersonate radio's favorite stars.

These productions have been the most popular of all home talent shows in the middle west for the past eighteen months. Regular WLS fans prefer them to the original productions because of their local color and the opportunity afforded folks who have radio aspirations.

It is expected a cast of 150 will greet the audiences at Highwood's outstanding fall show, which will be continued for three nights.

Sponsor Carioca Dances at Y. W. C. A.

A series of five Carioca dances for high school students will be sponsored by the Y.W.C.A. this year. There will be a Fall Frolic in November, Tea Dance in December, Dinner Dance in January, Valentine Party in February and Spring Carnival Dance in April.

Invitations have been issued for the first party to be given on Saturday evening, November 9th at 8:30 in the Y.W.C.A. assembly. Mrs. Theodore Fischer is the chairman in charge of arrangements.

The Patronesses are: Mrs. Chas. E. Piper, Mrs. Lewis E. Ashman, Mrs. David Suttle, Mrs. Allen T. Weinstock, Mrs. James Lytle, Mrs. Roland Wilder, Mrs. Lee Gatewood, Mrs. M. W. Lovins, Mrs. Charles Mann, Mrs. A. B. Cook, Mrs. Howard Bede, Mrs. Dade Epstein, Mrs. Win. Pohrte, Mrs. George Gaidzik, Mrs. John Vercoe.

Lake County Dentists Meet Monday Evening

Members of the Lake County branch of the Illinois Dental Credit Association heard an address by Dr. J. Fonda, a member of the parent organization, on the benefits derived from the association at a meeting held last Monday evening at the Green Tea Pot.

Dr. F. M. Yaeger, executive secretary, spoke on the elimination and handling of delinquent accounts.

Mother's Club Card Party

A public card party sponsored by the Mothers club will be held Tuesday evening, November 5 at 8 o'clock at the local "Y."

Bridge, 500 and bunco will be played, prizes awarded and refreshments served.
