Wednesdays
Men's gym class (7:30 to 10) all business men of the community are invited to attend this class.

Younger men's basketball class (7:30 to 10) all young men of the community are asked to join this class.

The fee for these classes is \$1.00 for ten lessons payable in advance. Other classes for which there has been a good deal of demand but not enough to give them precedence over the above classes are: drawing, painting, Spanish, French, German, contract bridge, current events, book reviews, social dancing, and photography.

If these classes are organized they will probably have to be self-supporting. A room will be provided free and help given in obtaining a teacher but the class must be willing to underwrite the teacher's salary.

No classes now registered will continue if the enrollment for the same drops to below ten members for three consecutive nights. Members may enroll in some other class without additional charge. Please call Mr. Scheuchensprung, H. P. 858, or Mrs. Leslie Schaeffer, H. P. 1109 for further information.

Evangelistic Meetings at Bethany Church

A special series of evangelistic services are being held at the Bethany Evangelical church at the present time.

A number of visiting pastors are filling the pulpit each evening of this week. Rev. F. W. Deutsche of Elmhurst will be the speaker on Thursday evening, and Rev. I. L. Schweitzer of Logan Square, Chicago, on Friday evening.

Beginning with Sunday morning at 11 a. m., and each evening during the next week, the Rev. J. G. Schwab of Chicago will be the preacher. Rev. Schwab needs no introduction in Highland Park as he was pastor of the local evangelical church for a number of years during the war period, and has frequently visited this city as a district superintendent of the evangelical churches. Rev. Schwab is a very able speaker and as a man of deep religious convictions, is able to present spiritual truth in a very clear manner. It is hoped that many people will avail themselves of the opportunity of hearing him while he is at Bethany.

The purpose of these special services will be two-fold: First, they are being held to help those who already are members of the church to gain a firmer grip on their spiritual relationships in life. Secondly, they are being held to help such as desire to dedicate themselves to the Christian cause and affiliate with the church.

A special invitation is extended to all of the community who have no regular church home.

These services will be held each evening at 7:45 in the chapel of Bethany church.

Prize Essay Contest Is Sponsored by the H.P. Community Chest

Much interest has been shown by grade school children of Highland Park in the prize essay contest sponsored by the Community Chest in order to stimulate interest among the children in the objects and purposes of the present chest campaign.

Although the contest does not close 'til midnight, Monday, Nov. 18 many entries showing careful study of the subject "Why Everybody in Highland Park Should Contribute to the Community Chest" have been received. Some of the young entrants have chosen unique ways of expressing their reasons for support. The following submitted in verse by a sixth grade pupil is typical of some of the interesting responses:

Community Chest
"Give once for all"
To make children grow into Citizens tall!
The money you give as a good deed.
Unemployed will work with Many a tool
For money to buy fuel.
To help Girl Scouts and the rest
Give to the Community Chest!
Every girl and boy in the fourth
to eighth grades inclusive are urged
to send in their entry before midnight Monday. A first and second prize will be awarded for the best essays received from children in each of the five grades to whom the contest is open. The first prize for each grade is a month's free pass to the Alcyon Theatre, the passes being donated to the Community

Chest by the theatre management. The second prizes to be awarded in each grade are \$2.00 merchandise certificates good at any store in Highland Park for whatever \$2.00 will buy.

The Judges who will read the essays and make the awards are: Mrs. George Taylor, former English teacher at Elm Place school; Miss Helen Flinn, acting librarian; Rev. Louis W. Sherwin, D.D., pastor of the Presbyterian Church.

Children who wish to enter the contest should bring or mail their essays to the Highland Park Community Chest, 15 South St. Johns avenue, before midnight, Nov. 18.

Mr. and Mrs. Benjamin F. Bird and Miss Babbette Mandel Bird, 152 Robsart place, Kenilworth, entertained at a family dinner party of ten on Oct. 25, in celebration of the 87th birthday of Mrs. Emanuel Mandel of Highland Park.

Mrs. Mandel is the widow of the founder of Mandel Brothers store and is known the country over for her philanthropic work. She is the mother of Edward Mandel, who is now president of the store, and Miss Babbette Bird is her great granddaughter. On the evening of her birthday, Mrs. Mandel received messages of congratulation from all over the world, including one from President Roosevelt and another from Governor Horner.

The first of the two following excerpts from an article which appeared in the Chicago Tribune at the time of Mrs. Mandel's 86th birthday last year is a portion of a letter written in 1884 by Martha Freeman Esmond to her friend Julia Boy of New York. The second excerpt is from a footnote explaining the letter.

"I wish you could see our Chicago Woman's club in its new home in the Art Institute, at the southwest corner of Michigan avenue and Van Buren street. We do feel so proud of our recently acquired domicile. All about us on the walls hang beautiful paintings, and the furnishings are so satisfactory.

"Everyone was pleased with the cup and saucer you sent the club. I gave a hand-painted cup and saucer which I thought pretty, and almost all the members heeded the request to contribute, so we now have enough china for teas following the meetings.

"Our club is becoming influential and increasing in numbers. We have 105 members now. Mrs. Henry L. Frank is our president this year and is filling the office most efficiently. She and her sister, Mrs. Henry Solomon, are star members of the club, for both are musical as well as lit-
