

Y.W.C.A. Notes

Good times and new friends that girls with "Thursdays off" can find at the YWCA are promised household workers in Highland Park by the Friendship Club.

"We want every girl doing household work in Highland Park to bring us her ideas on what the club can do," says Miss Wheat.

anyone here except the families where they are employed. If these girls will drop in at the Y on Thursdays they can always find other girls here knitting or sewing.

The Friendship club are mostly general maids or second maids, but a new group of girls who take care of children and who have Wednesdays off may be organized if enough girls will leave their names at the Y or call H. P. 675.

At their tea last Sunday the girls drew names sealed in capsules to keep as their mysterious friends all year. Anything from a comic picture to a tiny box of favorite candy will be sent anonymously to the "capsule friend," so the girls are looking forward to exciting mail from each other.

Table Tennis Club To Open November 15

The North Shore Table Tennis Club at 655 Vernon avenue, will open on Nov. 15, it was announced this week.

When first started several years ago, this was the pioneer club of the Chicago area, but several other suburban centers now also boast of active clubs.

North Shore league to be played at this club, and it is probable that league play with other suburban clubs will be inaugurated.

Further information may be had from "Doc" O'Neill at Gsell's, Doug Kittermaster, H. P. 2118; R. G. Hammond, H. P. 1994.

RIDDLE

Q—What is the difference between a chatterbox and a looking glass? A—One speaks without reflecting, the other reflects without speaking.

but how to enjoy most efficient heating is no riddle if you burn clean, economical

WAUKEGAN COKE

You have clean, economical, efficient heating with Waukegan Coke because it is made to give you more heat per ton! It burns longer... needs less attention... leaves few ashes.
