CHRISTIAN SCIENCE CHURCHES

"God the Preserver of Man" was the subject of the Lesson Sermon in all Churches of Christ, Scientist, on Sunday, December 15.

The Golden Text was, "The Lord shall preserve thy going out and thy coming in from this time forth and even for evermore" (Psalms 121:8).

Among the citations which comprised the Lesson Sermon was the following from the Bible: "For he that will love life, and see good days, let him refrain his tongue from evil, and his lips that they speak no guile; For the eyes of the Lord are over the righteous, and his ears are open unto their prayers; but the face of the Lord is against them that do evil. And who is he that will harm you, if ye be followers of that which is good?" (1 Peter 3:10, 12, 13).

The Lesson Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "To understand God strengthens hope, enlarges faith in Truth, and verifies Jesus' word: 'Lo, I am with you always, even unto the end of the world.' Resisting evil, you overcome it and prove its nothingness" (p. 446).
