CHRISTIAN SCIENCE CHURCHES

"Truth" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 26.

The Golden Text was, "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth" (Isaiah 25:1).

Among the citations which comprised our Lesson-Sermon was the following from the Bible: "Rejoice in the Lord, O ye righteous: for praise is comely for the upright. For the word of the Lord is right; and all his works are done in truth" (Psalms 33:1, 4).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "A straight line finds no abiding place in a curve, and a curve finds no adjustment to a straight line... Truth has no home in error, and error has no foothold in Truth... At no point can these opposites mingle or unite. Even though they seem to touch, one is still a curve and the other a straight line" (p. 282).
