Opening ceremonies will include a welcome from the city of Threshold Players Elgin by Mayor Myron H. Lehman, as well as the appearance of other civic and church dignitaries.

The highlight of the two day meeting is expected to be the Saturday evening banquet. Advance reservations indicate that with approximately 800 in attendance it will be one of the largest and most colorful in the history of the district. The general theme of the banquet is "Shipmates Forever" and all plans and preparations for the gala affair have been made with the aim of carrying out the nautical idea to every possible detail. Bill Hallberg, lanky center, led the scoring with fifteen points, closely followed by Bob Skidmore with 14 markers. Strand of Libertyville played a fine offensive game for the losers, netting 14 points to lead his team in scoring. This victory enabled the Maroons to hold undisputed possession of first place in the North Suburban Athletic League, and the team still remains undefeated in league competition.

Last Saturday night the Marcons lost a thrilling overtime contest at the Ravinia Village House to the Northwestern University All-Star Interfraternity team by the score of 36-32. The Maroons led at the half 18-13 but were unable to stop the accurate long-shooting of Hall and Feasel in the second half. The Northwestern team, with only a few seconds of play remaining, tied the score at 32 all with a long shot, and the battle went into overtime. At the start of the overtime period the visitors quickly scored two baskets, and the Maroons, missing four free throws as well as numerous attempts from the field, could not close the gap. Bob Skidmore was high scores of the evening with 14 points, being ably assisted by his team mates. Both clubs played aggressive ball and the visiting fraternity team well deserved its hard fought victory.
