Ravinia Group to Give Latest Play Friday, Feb. 21

"Mrs. Moonlight," Ben W. Levy Fantasy, Now in Last Week of Rehearsal

Swinging into its last week of rehearsal, the latest Ravinia Players production is receiving the last polishing before presentation on Friday, February 21.

"Mrs. Moonlight," Ben W. Levy's fantasy of a woman who never grows old, is far from the former sophisticated roles of the players, and offers an entirely new field as it calls for costuming for three different periods from the early eighteenth to the present.

Gertrude Williams Butler will present the title role; with J. Lincoln Gibson playing opposite. Mrs. Butler, one of the founders of the group, has had much valuable experience on the radio and professional stage and will be recognized for her splendid work in former Ravinia Players productions.

Mr. Gibson, who has appeared here in past seasons with the North Shore Theatre guild and the North Shore Circuit theatre, is appearing as guest star with the players.

Miss Katherine Kirschberg as Edith, Sarah Moonlight's sister, will also appear in her first Ravinia Players role. She has appeared before with the Threshold Players of Glencoe and the Loyola Community theatre in Rogers Park.

Ada Louise Voss, recent star of "The Curtain Rises," at the Highland Park Woman's club, will be seen as Jane Moonlight, the daughter Jane's two suitors, Percy Middleton and Willie Ragg, will be portrayed by Victor McKeighan of the Wilmette Players and Steve Zorich who has played at the Northwestern School of Speech for the past two seasons.

Miss Enid Phillips, who has been with the players for many seasons and is known for her excellent work, will be Minnie, the old Scotch nurse. Lee Blaylock, juvenile of the Wilmette Players, will play Peter Moonlight, the son.

H. P. Librarian Will Address Lions Club

Miss Mary Egan, librarian of the Highland Park Public Library, will be the principal speaker at the luncheon Thursday noon at the Green Tea Pot of the Highland Park Lions Club. Miss Egan will speak on current books and the facilities of the local library.

Extensive plans are being made by the local Lions club for the first district "Get-together" to be held here on the night of March 4. A large delegation is expected to attend this meeting from the Lions clubs of Winnetka, Waukegan and Libertyville. The principal speaker for this event will be Frank V. Birch, of Milwaukee, Wis., second vice-president of Lions International. Mr. Birch is recognized as an able speaker and his presence is expected to attract a large gathering.

The local Lions club has appointed a special committee to handle the program and entertainment for this joint meeting. Lions Emmet Duffy, Jack Davis and Paul Olson are in charge. Ten amateur vaudeville acts are to be included in the program.

Services Held Sunday for Fred D. Porter

Funeral services for Fred D. Porter, 64, of 226 Carey avenue, Highland Park, who was found dead last Friday in a Pullman berth on a train enroute to St. Louis from Tulsa, were held Sunday afternoon from the Highland Park Presbyterian church. Interment was in Memorial Park cemetery.

Mr. Porter was president of the Porter-Bede-Langtry company, publishers of the National Real Estate Journal and the Building and Building Management Journal. He was a former president of the Chicago Trade Press and the Federation Trade Press association.

In 1900 Mr. Porter was commodore of the Columbia Yacht club and in 1925 he helped organize the North American Yacht Racing union, of which he was treasurer. He was entering his eleventh year as secretary of the Lake Michigan Yachting association.

He had been attending a real estate convention in Tulsa with Emerson Globe, managing editor of the publishing firm, and was on his way home when stricken. He is survived by his widow, Mrs. Flora Porter, and a son, Hugh S. Porter.

Fire Department To Hold Annual Dance

Alcyon Presenting "Mutiny on the Bounty"

"Hide-Out" is one motion picture that should find favor in every eye, no matter how critical. It brings Robert Montgomery in one of his most entertaining characterizations, that of Lucky Wilson, the prankish post-repeal racketeer who finds reformation through contact with a farmer's family in a typical rural setting. Maureen O'Sullivan plays the farmer's daughter. Showing at the Alcyon on Friday and Saturday of this week.

Joan Blondell and Glenda Farrell, blonde menaces of the screen are again teamed as gay gold diggers in the comedy, "Miss Pacific Fleet," being presented at the Alcyon on Sunday and Monday. Playing with them are Hugh Herbert and Allen Jenkins.

"Mutiny on the Bounty," a sea saga culled from the Nordhoff-Hall book, features the Alcyon theatre program this coming Tuesday through Thursday. Charles Laugh-ton portrays Captain Bligh, Clark Gable, Fletcher Christian, leader of the mutiny, and Franchot Tone, Midshipman Byam. "Don't miss it!" is the critics' chorus!

Deerfield Club To Meet February 25

The Deerfield Woman's club will hear a well known artist at the February 25 meeting. Miss Carolyn D. Tyler, famous in and around Chicago for her miniature paintings, will speak on "Painting in the Little." This is an unusual opportunity to hear such a well known artist. It is hoped that all members of the club will be present.

The last meeting was one of much interest. Mrs. O. F. Paisley a member of the board of the 10th district, has made quite a study of International Relations. Mrs. Paisley read a paper she had prepared for broadcasting on the relations of the U. S. and foreign countries. An informal discussion followed Mrs. Paisley's talk regarding U. S. and neutrality.

Mrs. Leslie Brand presided at the very attractive tea table which was decorated in keeping with the Valentine season. Danity individual heart shaped cakes and tea were served.

This meeting is to begin at 1:30 p.m. because there is to be a revision of by-laws preceding the program.

The Father of Our Country

D. A. R. Hears Story of Godey Ladies' Book

February Meeting Is Held at Home of Mrs. E. W. Gsell

The February meeting of North Shore Chapter, D.A.R., was held at the home of Mrs. Earl W. Gsell, 421 South Sheridan road Thursday afternoon, Feb. 13. The assisting hostesses were Mrs. Kellogg Speed, Mrs. E. E. Mellinger and Miss Emma Folsom.

The meeting was a most interesting one to the members and their guests; as Mrs. W. F. Einbecker, chairman of the national defense committee of the chapter, told the story of how the old, quaint, woman's fashion book, called the "Ladies of Godey" or as is popularly known, "The Godey Ladies' Book" had its being and development, and the interesting work of the editor, Sarah Josepha Hale.

Mrs. Hale, through the pages of the Godey Book and outside activities, did much for the emancipation of women, paving the way for the present far-reaching activities of women of today.

Mrs. Einbecker, through her presentation, made Mrs. Hale seem to live again in this day, the same real, vital person. Mrs. Einbecker was dressed in an old-fashioned bombazine dress, very full as to skirt and over a hundred years old, belonging to an aunt of Mrs. Duane Jackman of Lake Forest.

The hostess, Mrs. Gsell and those assisting her were in costume. Two of the gowns were of heavy silk belonging to a great aunt of Mrs. Gsell. They were worn in 1869.

There was an interesting collection of rare antiques, brought by members and their friends, among them an old portrait of a bride painted 85 years ago. Godey Books, old prints, quaint daguerotypes, old samplers, castors, pieces of old glassware and silverware, jewelry and candelabras were displayed.

Mrs. Joseph Leaming, 1540 Dean avenue, Ravinia, was made honorary life member of the North Shore Chapter, in appreciation for her long years of devoted service to the chapter.

Survey Shows Advantages of Deerfield-Shields

Local High Has Many Points of Superiority Over Other Schools

According to a recent survey made of Illinois schools, Deerfield-Shields offers many superior advantages. In general it has everything that any other school in Illinois has to offer, and some added advantages and services which no other school offers. Among the latter are a director of research and a visiting teacher; who is in constant contact with the homes.

Of the 696 accredited high schools in Illinois, 5 offer vocational work in the trades; 20 have school nurses; 24 have deans of boys; 114 have trained librarians; 128 offer public speaking. The local school is one of the minority to offer all of these.

In 1929, Mr. H. A. Jones of Evanston made a study of 100 standard high schools enrolling from 1,000 to 5,000 students. He found that they had athletic fields averaging 8.8 acres against 30 acres in Highland Park; they have an average of 5 tennis courts to each field as against our 10; four of the 100 have no gymnasium at all; 56 have no separate gymnasium for girls; 58 have no swimming pool; and 62 have no indoor track. Our school has all of these advantages.

Thirty of these 100 standard schools have no nurses; 48 had no medical inspection; 68 had no dental clinic; and 60 furnished no free toilet service.

Even in 1929, 20 of these large standard schools did not equip their football teams; 19 did not equip their basketball teams; 25 did not equip their track team and 48 equipped no baseball team. Our school equips all of its teams with funds which come for the most part, from gate receipts.

Free medical inspection and a dental clinic are also provided. Free transportation is given to the students of Deerfield-Shields living a mile or more from the school; this is not given by any other North Shore school.

Considering the service given, the cost of the local school is by no means excessive. Among 696 schools of the state, the per capita cost varies from \$60 per student per year to \$230. Our per capita cost, based on total enrollment and exclusive of the interest and depreciation, was \$169.74 per student per year for 1934-'35.

TO THE PEOPLE OF OUR CITY

As commissioner of Public Health and Safety I wish to ask the co-operation of our citizens in shoveling the snow from around the caps of the fire hydrants. With the heavy snows the roads and parkways have caused a serious handicap. If you will assist in this important matter you will help me to make our city safe against a serious fire. Robert Greenslade, Commissioner.

Mrs. Margaret H. Mason of Highland Park was last week named a member of the board of three commissioners and a secretary, to administer the old age pensions (officially known as Old Age Assistance) in Lake county. The other two members are George D. Meyer of Mundelein and George T. McCullough of Gurnee. Mrs. Mary Pol-mateer Funk was appointed secretary of the board.

In appointing you as members of the commission, I do so with full confidence in your ability to act fairly, impartially, and with courtesy and justice to all whose applications may be presented to you and notwithstanding."

Children's Choir Is Organized Here

The juniors of the Grace M. E. church have organized a choir which sang for the second time at the morning worship service last Sunday morning. The presence and singing of this fine group of children added greatly to the inspiration of the service. All of the children of the community who are in fourth to eighth grades in the public school are welcome to join this group which does many other interesting things beside singing in the choir.

They are having a party at the church next Saturday afternoon at 4 o'clock. Any who wish to join may do so at that time.

Some very special plans are being made for Easter and the church is looking forward with pride to the fine activities which this group of children will plan.

NOTICE

The Commission of Public Welfare of Lake County has received the following information from the division of Old Age assistance of the state of Illinois. "Until action by the Federal Social Security board at Washington determining whether the maximum assistance shall be \$15 or \$20 per month it will be difficult and almost impossible for the county commission of Public Welfare to make a finding. To avoid confusion, duplication of work and expense in setting up the county department, officers we suggest that no final action fixing the amount of assistance be made until you are advised of the action of social security board. Immediately upon being advised of the action of the social security board the county department may promptly make an award upon each application and at that time send forward such findings to the state department with duplicate of the application, report of the investigation and other data on hand."

"The county departments are requested to advise all applicants of this fact in order that any erroneous impressions may be corrected. The state department will notify the county department as soon as the federal government has given its approval or disapproval of this matter."
