CHRISTIAN SCIENCE CHURCHES

"Mind" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, February 23.

The Golden Text was, "The fear of the Lord is the beginning of wisdom: and the knowledge of the holy is understanding?" (Proverbs 9:10).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Who hath directed the Spirit of the Lord, or being his counselor hath taught him? With whom took he counsel, and who instructed him, and taught him in the path of judgment, and taught him knowledge, and shewed to him the way of understanding?" (Isaiah 40:13, 14).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Mind manifests all that exists in the infinitude of Truth" (p. 258).
