### The Recipe Box

Conducted by PHIL LIBBY Director, Home Service Department Highland Park Press and Deerfield Press

(Editor's Note: You are invited to write your questions about recipes or household information to Phil Libby, in care of this newspaper, enclosing a self-addressed, stamped envelope. He will be glad to answer you promptly. It will be impossible to answer questions received by telephone)

Well, as I see the array of prizes to be awarded to the winners of the "Favorite Recipe Contest," I find some very useful ones among them, things that should be welcome in every home. In view of this I am going to tell you of them during the contest, a few of which I shall tell you about in this issue.

The Foley Food Mill, is one of the most useful kitchen utensils I teas, of lemon juice, a few drops have ever used, and fills a need in tobasco sauce, salt to taste and every kitchen in the daily food pre- cup of stiffly beaten cream. The Duplex Sifter, which many of you know about, especially those who attended my demonstration at the Gas company during February This sifter eliminates all the bother of sifting into a bowl and returning the dry ingredients back to sifter and continuing this process. With the Duplex, you put your measured dry ingredients into the sifter, attach covers securely and simply the amount of salad you are make shake the handle from right to left or vis versa and when ingredients are through, turn the sifter over and repeat as many times as you desire. These too, will also be found at your local hardware deal-

Two more gadgets are the Metco food grater and the Uniform nut meat chopper, both made by the Metwood Mfg. Company, that you will find useful.

The Metco food grater is the only grater complete with self-contained glass bowl. It is always ready for use - no clamping to the table or arranging for dishes -- no chance of untidy spilling. It grates cheese, crackers, chocolate, toast, cocoanut, nut meats and many other dry foods -quickly and easily.

The Uniform Nut meat chopper is another handy little gadget for the kitchen. It chops nut meats and peanuts with a turn of the handle. No fuss, no mess, no bother. Just drop nut meats in the hopper and turn handle and nuts are chopped. Local dealers also handle these items.

COMMITTEE REVIEW

"Freshman Love." Cast: Frank McHugh, Patricia Ellis, George E Stone, March 12, Thursday. A rollicking, farcical story of "Freshman" in Love" and "Row-for-Good-Old-Billings." The pretty daughter of Prexy Simpkins recruits a crew by resorting to flirtatious viles. The oarsmen, dependent upon rhythm, set a winning pace in response t the urge of a jazz-playing coxswain. Family.

"Charlie Chan's Secret." Cast Warner Oland, Rosina Lawrence, Henrietta Crossman, Herbert Mundin; Friday, Saturday, March 13, 14. The speed with which Charlie Chan pictures are produced makes one wonder that they are so consistently good. Warner Oland is the perfect detective who solves as mysterious murder when an old family, interested in things psychic, loses one of its members during a seance. A well sustained murder mystery. The plot is a good one and the cast capable while the direction achieves suspense and a sinister atmosphere. Family, too frightening for small children. "Navy Wife." Cast: Claire Tre-
