### CHRISTIAN SCIENCE CHURCHES

"Substance" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 15.

The Golden Text was "Honour the Lord with thy substance, and with the first fruits of all thine increase" (Prov. 3:9).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "The Lord is the portion of mine inheritance and of my cup: thou maintainest my lot. The lines are fallen unto me in pleasant places; yea, I have a goodly heritage" (Psalms 16:5, 6).

The Lesson-Sermon also included the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of Spirit, not matter. The belief that man has any other substance, or mind, is not spiritual and breaks the First Commandment. Thou shalt have one God, one Lord" (p. 301).
