

In "Love Pirates of Hawaii"

A miniature naval officer (Bill Olendorf) and his lady (Mary Cunningham) are in the operetta "Love Pirates of Hawaii," to be given at the Deerfield grammar school. Proceeds from the operetta will be used to purchase a public address system for the Deerfield school.

CHRISTIAN SCIENCE CHURCHES "Matter" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, March 22. The Golden Text was, "The fashion of this world passeth away" (1 Corinthians 7:31). Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Thou, even thou, art Lord alone: thou hast made heaven, the heaven of heavens, and with all their host, the earth, and all things that are therein, the seas, and all that is therein, and thou preservest them all; and the host of heaven worshippeth thee" (Nehemiah 9:6). The Lesson-Sermon also included the following passages from the Christian Science Textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The fading forms of matter, the mortal body and material earth, are the fleeting concepts of the human mind. They have their day before the permanent facts and their perfection in Spirit appear. . . Mortals must look beyond fading, finite forms, if they would gain the true sense of things. Where shall the gaze rest but in the unsearchable realm of Mind?" (p. 263-4).
