James P. Whyte, a brother, taught at Lake Forest Academy thirty years ago.

IT HAS LONG BEEN HIS AMBITION TO BE YOUR RECORDER OF DEEDS—WILL YOU HELP? HE APPRECIATES THE RESPONSIBILITY OF THE OFFICE HOLDER TO THE VOTERS.

Modernize with Gas

Today you want freedom and economy! Have them both with a modern GAS kitchen

...and it costs only a few cents a day

Completely modern cooking, refrigeration and hot water services are offered to you now on a plan so easy that a few cents a day will bring you all three.

Wouldn't you rather have a kitchen equipped to speed and simplify your work? That's the type of kitchen you can have in your home, if you install a modern gas range, Electrolux gas refrigerator and "controlled cost" Penfield automatic gas water heater. Terms are so liberal that the cost actually is just a few cents a day.

Served by these three modern gas appliances you will enjoy more convenience, more economy, more satisfaction in kitchen tasks. They eliminate drudgery and give you ease. They end waste and give you savings.

Whatever your requirements, there is a gas servant for cooking, refrigeration and water heating that will meet your individual needs. Come in and see a demonstration... and learn complete details of our special payment plan.
