

Deerfield Mayor Issues Warning

Two Deerfield children were severely bitten by dogs on Monday. John Stanford, three year old son of the J. F. Carters, 1125 Hazel avenue was saved from possible death by a vicious dog, when Mr. Frank Donner, father of Mrs. Raymond Bell, heard the child's screams and came to the rescue. Twelve stitches will be required to sew up the leg wounds and almost as many on the face. The dog is owned by Charles Meyer of Hazel avenue and had bitten Tommy Fordham on the hand about three weeks ago. The dog was taken by Chief of Police Percy McLaughlin for observation for rabies to the Albert Mitchell dog kennels.

The other child is Betty Meyer, eleven year old daughter of Mr. and Mrs. George Meyer of Osterman avenue. Betty was swinging on the playgrounds at the Deerfield grade school during the afternoon recess, when a dog owned by A. L. Renning tore off her stocking and inflicted a deep leg wound. The Renning dog is at the Highland Park Animal hospital for observation. Both children are being treated by Dr. C. Johnston Davis.

Mayor Wing Acts

Mayor Harry E. Wing has prepared a letter that will be sent to all householders in the monthly water bills this month, instructing dog owners that dogs must be muzzled. New tags for dog licenses have been available since May 1. Water meter readers have checked up on all homes and a list of dog owners is on file. Unless licenses are taken out immediately, warrants will be issued for their arrest.

New Ordinance

A new ordinance will be passed upon at the next meeting of the Deerfield board on Tuesday evening, May 14. It will be more rigid and forceful than the old one pertaining to dogs and will be enforced.

Deerfield Agog

Over False Rumor

Rumors have been rampant this past week that a fourth tavern is to open in Deerfield. The local editor, besieged with such queries, called the village offices for verification. It is impossible for a fourth tavern to open legally and no such application has been received and no license issued.

The ordinance, recently passed, allows only two taverns, but a third was granted a license and is now operating, because the application was made before the ordinance became final. If, however, one of these three taverns goes out of existence, another cannot take its place.

The liquor ordinance has placed the sellers of alcoholic liquors under four classifications thus: Class A—Sale of bottled alcoholic liquors not for consumption on premises. Class B—Retail sale of bottled alcoholic liquor for consumption on premises. Class C—Sale of alcoholic liquors in golf clubs. Class D—Taverns (limited to 2). The license fee is \$500 annually.

Deerfield O.E.S. to Honor Past Leaders

Mrs. Chester Wessling, worthy matron, in announcing her program for the evening, states that a one act play by the Niles Center Woman's club will be presented that evening.

Past matrons and patrons who will participate are Alma Deck, Adelaide Steiner, Elsie Sherden, Christine Knaak, Ellen Klug, Carolyn Becker, Ruth Notz, Beatrice Meyer, William Carr, E. H. Selig, Harold Vant, Wm. Barrett, Ambrose Montavon, Edward Klug, Thilo Toll, and J. R. Notz.

The amateur show and local talent plays which were scheduled for this month have been indefinitely postponed until next fall.

The spring luncheon-card party will be held June 17 with Mrs. R. A. Nelson as general chairman. She will appoint her committees later. A style show of cotton, silk, and knitted frocks and children's clothing has been planned.

Mrs. Paisley Speaks in Deerfield Today

St. Paul's Ladies' Aid society will hold its annual open meeting on Thursday (today) at 2 o'clock at St. Paul's Evangelical church, Deerfield. Mrs. Frank Paisley of Highland Park is the guest speaker. Mrs. Paisley is chairman of the International Relations of the Tenth District of Federated Women's clubs and her subject will be, "Peace and International Relations."

Hostesses for the social hour are Mrs. Dan Hunt, Mrs. C. C. Kapschull, Mrs. Leo Seiler, Mrs. Minnie Whitcomb and Mrs. Frank Berning.

The May meeting of the Mothers' club of the Y.W.C.A. is postponed from Tuesday, May 12 to Wednesday, May 13 due to the Assembly room at the Y being used for a community chest meeting on Tuesday. The Wednesday evening entertainment will be a Cornio party with prizes of home canned delicacies. Mrs. Harry Renner and Mrs. Einar Paulsen, the two members of the Mothers' club who were delegates to the National Y.W.C.A. Convention at Colorado Springs, will give reports.

Newspapers received from Colorado Springs where the national Y. W. C. A. Convention has been in session this week show what serious problems of youth are coming up before the Highland Park delegates attending this meeting with representatives from 1092 associations in the United States. Young people from all parts of the country gave the point of view of the student, the business girl, the younger school girl, farm girl, industrial worker and household employee, the young married woman, the second generation girl or the daughter of foreign born parents, the Negro girl and the not yet employed girl at a

Round Table devoted to the problems of youth. Economic security, world peace, sex education, the right to organize, fairer working standards for household workers, were some of the needs expressed. Taid Fujita of Japan told of the 978,318 factory girls of Japan, employed at nerve-wracking piece work in the cotton mills and Helen Chung of China told of the concern of Chinese girls that their country remain a free nation.

Mrs. John Finley, wife of a New York Times editor stressed the importance of women of all nations understanding each other so that world peace can be realized. "There is a Japanese saying 'Where women are friends men will not fight' so with two million women in 56 countries working for peace interests through their Y.W.C.A. we should be able to help," said Mrs. Finley.

Other points of view covering problems of social importance were expressed by Dr. Shailer Mathews who spoke of the trend toward a more personal democracy. Dr. Mathews, former dean of the Divinity school of the University of Chicago was a convention speaker as chairman of the World Conference on Peace Through Religion. The University of Chicago was also represented on the program by Professor Thomas V. Smith who spoke on "Freedom of Speech." As Mrs. Frederic Platt, national president, explained in considering the many controversial subjects which have come up "We must face the problems youth is facing and asking about today, if we are to be really helpful to all groups. Our job is

not to spread propaganda as no one element is going to run any Y, either locally or nationally, because we are made up of a cross section of all types of women."

Some of the high spots in these discussions with their local helpful application will be discussed at various meetings when the local delegates are guests of honor of the Highland Park association. Mrs. Theodore Osborn, Mrs. Alfred Burdick, Mrs. Einar Paulsen, Mrs. Harry Renner, and Miss Estelle Buser are returning with full notebooks so that the whole association may profit from the opportunities they have had to hear today's leaders discuss the most vital topics.

A Progressive Dinner with Marion Leffert, Salome Brand, Marion and Ruth Larson, and Alice Marks serving various courses at their homes, with Stephanie Febel and Teresa Shecker preparing the main course at the Y, is scheduled for the Thursday, May 14 meeting of Pi Delta, business girls' club of the Y. W. C. A. Members and their guests are asked to meet at the Y.W.C.A. before starting their "progressive dining." Alice Marks, program chairman asks that all reservations be phoned to the Y by Wednesday night.

Dance Tonight

The public is invited to the dance tonight, Thursday, May 7, at the Y.W.C.A., 374 Laurel avenue, given by the Friendship club. Music is by the Townsmen's orchestra of five pieces and tickets may be secured at the door.

Mrs. John Sobey was the mother who gave the toast to the daughters and Mary Dorick represented the daughters in giving a toast to the mothers at the Mother-Daughter dinner held at the Y.W.C.A. on Wednesday, May 6. This joint dinner was given by Y grade school club girls and the girls taking tap at the Y for their mothers. Seventy-five mothers and daughters enjoyed the program at this second annual dinner given by these younger girls in Y activities.

Mrs. James Cady Ewell is calling a meeting of the Poster committee of the Y.W.C.A. for Thursday, May 14. All girls interested in experimenting with pen and brush are invited to come to the Y to help make signs.

Mothers will be guests of honor, especially the members of the Mothers' club of the Y.W.C.A. at the Community Vespers announced for 4:30 this Sunday, May 10, at 374 Laurel avenue. Rev. W. S. Sahr, pastor of the Redeemer Lutheran
