### HIGHLAND PARK PUBLIC LIBRARY HIGHLAND PARK ILLINOIS

**Important Library Meeting**  
The charming and historically important city of Richmond, Virginia, is the gathering place for hundreds of librarians from all parts of the country and other persons interested in the library profession and library work, who are attending, during this week, the annual convention of the American Library Association.

The subject of the conference program is "The Extension and Improvement of Library Service," and all phases of library work and its service to the public will be discussed. The discussion of one of the important topics, "Adult Education and the Library," will be led by Mr. Lyman Bryson, a member of the Department of Adult Education of Columbia University and prominent in the field of adult education. Douglas S. Freeman, author of "Robert E. Lee," and editor of the Richmond "News Leader," will deliver an address in one of the final sessions. Many other important speakers and other interesting and helpful meetings are scheduled throughout the week.

Miss Mary Egan, the local librarian, is attending this conference along with many other librarians from the North Shore libraries.

**Pulitzer Prize Winners**  
The 1935 winners of the Pulitzer prizes announced last week will probably cause little surprise among local readers though there may be some disagreement. The following books were selected:

1. "The Honey in the Horn," by H. L. Davis.—This novel received the \$1,000 award for the "best novel published during the year by an American author, preferably dealing with American life. The book gives a picture of the opening of the great Northwest, a region never before treated very thoroughly in literature. Its racy diction shows American originality in speech, but its pathological characters do not represent American people necessarily. The author is 39 and this was his first novel. It won the \$7,500 Harper biennial prize contest last year. He is an Oregonian and has had a varied non-literary experience.

2. "Idiot's Delight," by Robert E. Sherwood. This play won the \$1,000 award for the best play of the year, "performed in New York." It was produced by the Theatre Guild with Alfred Lunt and Lynn Fontanne in the leading roles. It is a powerful indictment of war, international munition-mongers, and fanatical nationalists. The dramatist is known for his "Reunion in Vienna," "The Road to Rome" and "The Petrified Forest." He is 40, was born in New Rochelle, New York, and graduated from Harvard.

3. "The Constitutional History of the United States," by A. C. McLaughlin. This book received the \$1,000 award for "the best book of the year upon the history of the United States." Professor McLaughlin is 75, a native of Beardstown, Ill., a Michigan graduate and former faculty member there. He was head of the history department at the University of Chicago. He is now professor emeritus. He has written many books and held many distinguished posts in historical organization.

4. "Strange Holiness," by Robert P. Tristram Coffin. This book of poetry won the \$1,000 award for "the best volume of verse published during the year by an American author." The author is 44, a professor of English at Wells college and an author of biographies and a novel "Red Sky in the Morning."

5. "The Thought and Character of William James," by Ralph B. Perry. This book won the \$1,000 award for the best American biography. It is an authentic and well written study of one of America's most interesting philosophers. The author is 50, a professor of philosophy at Harvard. He has written many other books and edited three on James beside the prize volume.

These prize books, except the last one, are now available at your Public Library. Read a Pulitzer winner and be assured of a worthwhile book. The winners for last year may also be recalled as the following books, for those who wish to obtain them at the Public Library.

**Pulitzer Prize Books of 1934:**  
"Now in November," by Josephine Lawrence.  
"The Old Maid," by Zoe Akins.  
"The Colonial Period of American History," Vol. 1, by C. M. Andrews.  
"R. E. Lee: a Biography," by D. S. Freeman.  
"Bright Ambush," by Audrey Wurdemann.

### GO TO CHAMPAIGN FOR STATE MEET SATURDAY, MAY 16

By breaking the district record in the one mile run, Neuman "Red" Fell won the district championship held at Evanston last Saturday afternoon. Kurt Boehm, running a 2:02.5, won the championship in the half mile run.  
By winning these races, Red and Kurt qualified for the State meet to be held Saturday at Champaign. Both boys have a good chance of big things at this meet.  
The Blue and White squad collected sixteen points at the district meet to place sixth in a field of

twelve teams. Other point winners besides Boehm and Fell were George Stanger, George Olsen, Tom Ullman, and Walter Repholz.

Fell's time in the one mile run was 4:39, setting a new record that was formerly held by Willard, of Libertyville. Boehm's time was the fastest time run in all the district meets in the entire state.

The two boys, along with Coach "Chuck" Lauer, will leave Friday morning for downstate.
