"Three Men On a Horse" In Return Engagement

Alex Yokel announces he will return his popular comedy, "Three Men on a Horse" to the Harris Theater, Chicago, for a limited summer engagement beginning Monday evening, May 18, assuring Chicago theatergoers of at least one stage play for their summer indoor amusement. An added innovation will be a popular scale of special summer prices in which the main floor seats have been reduced.

"Three Men on a Horse" played nine consecutive months at the Harris Theater ending last December, and since then has made a tour of the key cities and now returns to Chicago with the same cast intact including Jack Sheehan, Ruth Lee, Matt Briggs, Owen Martin, Mary Loane, Saul Z. Martell, Harry Davenport, Grandon Rhodes, Chandos Sweet, Leigh Whipper, Marjorie Jereki, Spencer Fleming and other regulars.

"Three Men on a Horse" is the story of Irwin Trowbridge who writes greeting card verses and who is practically kidnapped by gangsters who see a gold mine in his hobby of being able to dope winners on the race tracks. A chance encounter in a bar opens visions of quick wealth for the impetuous tough. Their efforts to exploit the poet's handicapping talents, lead to embarrassing complications, for the writer who never bets; and who has business and domestic responsibilities not easy to escape.

This comedy by John Cecil Holm and George Abbott leads the world in multiple productions. It is being played simultaneously by eight companies in New York, Chicago, Philadelphia, Newark and Hollywood in America; the English production at the Wyndham Theater, London; the seventh production in Melbourne, Australia, and an eighth ready for a Paris premiere in two weeks. In all the casts, save the French organization, the leading role of Erwin

Trowbridge is portrayed by an American.

St. Paul's Church Celebrates Birthday

About 700 people attended the three services on Sunday which marked the sixtieth anniversary of the founding of St. Paul's Evangelical church in Deerfield and the dedication of the newly remodeled church building.

Rev. F. G. Piepenbrok, pastor of the church since 1925, read a history of the church at the morning worship service. Founded by twenty-three families the church has now a membership of 311, including the 26 new members who were received into the church that morning. Ten years ago the membership was only 75. Rev. Piepenbrok is to be congratulated upon his building-up of the church membership in this past decade.

Pastors of neighboring churches attended the afternoon service and brought greetings from their churches. The Deerfield Shields high school chorus presented special music in the afternoon and in the evening there was a quartet from the Irving Park Baptist church. Women of the church served supper to all the guests at 5:30 p. m. in the new church basement. Rev. Armin Bizer, minister of St. Peter's church in Northbrook, delivered the evening sermon.

Members received into the church at the anniversary morning service are: Mr. and Mrs. Allen Harder, Mr. and Mrs. Irwin Harder, Mr. and Mrs. Edward Whitcomb, Mr. and Mrs. Raymond Bell, Mr. and Mrs. F. D. Kelly, Mr. and Mrs. Earl McKay, Mr. and Mrs. A. J. Deerfield Creates New Fire District

Deerfield Fire Chief Jack Johnston announces that the newly created fire district for this vicinity, to be known as the "Deerfield Fire Protection District," will come up for consideration before County Judge Perry L. Persons on June 15 in the County Court in Waukegan.

The territory to be included in this district will be bounded on the north by Half Day road (Route 22; on the east by the Highland

Park-Deerfield limits; on the south one quarter mile south of County Line road, then west to the Des Plaines river.

Benefits to be derived from this newly created district will be a decrease in insurance rates because of firemen on day and night duty the entire year. These paid firemen will be assisted in answering calls by the Volunteer Fire Department.

Deerfield Women To Form Association

There will be a meeting of all women of the Deerfield Presbyterian church on Wednesday afternoon, May 27, at 2:30 o'clock in the Presbyterian church for the purpose of organizing a Woman's Association. This will take the place of the Dorcas Society, Dorcas Circles and the Missionary society, uniting the women of the church into one group.

Officers will be elected, a program adopted and a budget planned to cover all the work of all the women. Mrs. William Koebelin, retiring president of the Dorcas society, and Mrs. Fred Meyer, retiring president of the Missionary society, will have charge of the meeting.

The two outgoing officers with Mrs. W. E. Weir, Mrs. Dwight Merrill and Mrs. John Wyman, comprise the nominating committee.

All women interested in the work of the Deerfield Presbyterian church are invited to attend.

Warning Given To Deerfield Dog Owners

Each water bill sent out to Deerfield water users contained a warning to dog owners concerning their muzzling and licensing:

NOTICE
Dog licenses must be purchased at once to save issuance of warrants for the arrest of owners with the resulting inconvenience and costs. It will be to your advantage to purchase your dog licenses when paying the inclosed water bill. The ordinance provides that dogs must be kept on a leash, or muzzled.

Warrants will be issued for the arrest of dog owners who do not comply with the ordinance as to purchasing license tags and muzzling their dogs.

Poppy Day To Be Held in Deerfield

Saturday the women of Deerfield Unit of the American Legion Auxiliary will be on the streets with baskets of memorial poppies to be worn in honor of the World War dead. They will work throughout the day, distributing the little red flowers and gathering contributions for the welfare of the disabled war veterans and the families left in need by the death or disability of a veteran. Their unselfish efforts will give every individual in the city an opportunity to pay personal tribute to the men who gave their lives for the country, and to extend a helping hand to those who sacrificed health, strength and hap-

pinness on the altar of patriotism. When we meet these women on the streets Saturday, let us all show understanding of the work they are doing. Let us meet them with a smile of appreciation and put on our poppies, glad for the opportunity they are bringing us to honor the nation's heroic dead and aid those still within reach of our help.
