Highland Parkers Attend 10th District Luncheon

Mrs. Ellery H. Harvey, chairman of the Community Garden club, and Mrs. Oscar Wallen attended a luncheon of the Federation of Woman's club at the Sherman hotel as representatives of the Tenth District of Garden clubs last Wednesday. After the luncheon an interesting program of music and short talks was given.

On the same day, a lovely day, tea was given in honor of these guests at the Coliseum where the Chicago National Home Show was in progress. Last Friday Mrs. Wade McNutt and Mrs. Harvey were hostesses at the Home Show.

D.A.R. BETTER FILMS COMMITTEE REVIEW

"Song and Dance Man." Cast: Clair Trevor, Paul Kelly, Michael Whalen; Thursday, Friday, May 28, 29, with its flavor of backstage, this dramatic film interpretation of a successful stage play, is slow moving but interesting. Family.

"The Voice of Bugle Ann." Cast: Lionel Barrymore, Dudley Digges, Spring Byington, Maureen O'Sullivan; May 30, Saturday. An unusual and most appealing production, the basis of which is the well known story of Mackinbay Kantor. The story deals with the mutual dependence of man and dog for affection and companionship, the fine characteristics of hunting dogs, their training and exceptional intelligence, are treated with great understanding. Exceptional photography and most perfect casting and direction. Family.

"The Story of Louis Pasteur." Cast: Paul Muni, Josephine Hutchinson, Anita Louise; May 31, June 1, 2, Sunday, Monday, Tuesday. This

film contributes a new phase of scenic development significant in its conclusive evidence that the lives of great figures of the past may prove dramatically thrilling film material. The life of the great scientist is depicted faithfully, yet with a nice blending of imagination and research. Excellently directed and expertly photographed. Family.
