Deerfield Honors War Heroes at Service Tribute was paid to departed comrades of American Wars with a solemn but very impressive program under the direction of Deerfield Post No. 738 American Legion, on Memorial Day.

The program began at the grammar school with the raising of the flag to half mast by the Boy Scouts. The annual presentation of a new flag to the Deerfield school which was made by Elaine Plagge, president of the Junior Auxiliary Group was graciously received by Mr. C. E. Bates, principal.

Mrs. Wm. Cruickshank, president of American Legion Auxiliary, awarded the two bronze medals to Thurston Hurst, Deerfield, and Betty Hagblom, Wilmett, for winning the Poppy Poster Contest sponsored by the unit a few weeks ago.

Mr. Henry Foval of Lake Bluff past commander of the Eighth District, delivered an appropriate address. Each child was provided with a flag for the parade. Six soldiers and a bugler from Fort Sheridan very kindly accepted an invitation from Mr. Marshall Pottenger, commander of Deerfield Post, to take part on the program. The officer formed the parade with colors representing the American Legion, American Legion Auxiliary, Boy Scouts and Girl Scouts. The Junior Auxiliary made a very colorful group with their new blue and red capes.

The parade proceeded from the school to the Deerfield cemetery where the graves of soldiers were decorated, also the graves of former Auxiliary members were decorated with beautiful poppy wreathes made by them.

Dr. W. F. Weir, pastor of the Presbyterian church, gave a wonderful, enlightening sermon at the cemetery. Taps were sounded by the bugler and shots fired over the graves.

The soldiers honored on Memorial Day, from the Revolution down to the World War, died to create and preserve the Constitution and the ideals of government and citizenship which were in the minds of the founders of our nation. Throughout the nation Memorial Day services made stirring pleas for patriotism.

James Mooney Returns From Camp James Mooney, nature director of Camp Ma-Ka-Ja-Wan, returned Friday with great tales of the wide open spaces. He reported the Camp to be at its best and the weather about the same as that on the North Shore. With an eye to the future, and as a gesture of practice conservation, Mr. Mooney with the aid of the caretaker planted ten thousand trees on the Camp property. He reported the trees were doing nicely, but his back was a little stiff.

Scouts Take Part in Memorial Day Exercises Scouts throughout the whole of the North Shore Area Council took part last week in the Memorial Day ceremonies in all of the several towns in the area; from Wilmett to Waukegan, and from Glenview to Antioch. In some of the towns the Scouts joined in the parades; in some they took part in the ceremonies at the parks and at the memorials or wherever the services were held. In many of the communities the Scouts helped the Legion and other organizations in decorating the graves of the war dead.

Scout Executive Ill With Flu Mr. C. G. Speer, the Scout Executive of the North Shore Area Council, has been confined to bed with an attack of the flu complicated with a nervous disorder. He was at home all of last week and was hoping to be back on the job by the end of this week. The Scouts and Scouters from the whole Council hope Mr. Speer will be completely recovered very soon and that he will again be in fine fettle for the camp season of Camp Ma-Ka-Ja-Wan which starts in just three weeks.

Waukegan School Field Day Friday, June 5 In the afternoon the children will have a track meet and a number of baseball games. There will be myths and singing games on the north terrace at four o'clock. The children and parents will eat a picnic supper on the grounds and the

Braun Bros. Nine Wins from Winnetka With Tommy Duffy pitching mid season ball the Braun Bros. Oilers coked out a ninth inning 5 to 4 win over Winnetka at the Winnetka playground Memorial Day.

The two big factors in the win were Duffy's 21 strikeouts and the big ninth inning rally when Highland Park scored all their runs. Going into the ninth the score was 1 to 0 in Winnetka's favor but a walk by Macucei a double by Tom Nelson and successive singles by John Sorsen, Duffy, Al Altizer and Gabby Benson were responsible for five runs that just enabled the team

to win after a Winnetka rally fell one run short. Tom Duffy, the small ex-Deerfield righthander, had plenty of stuff. His 21 strikeouts is a record for the North Shore and the fact that he only allowed one hit till the ninth shows how effective he was.

This Sunday the Oilers play the Highland Park Legion team at Sunset park. This game is the first in a series to decide the city championship. On the mound for the Legion will be Rogan and Beck; for the Oilers will be Duffy and Nelson.
