**Mother's Club Holds Annual Dinner at Y**

How to get beyond surface friendships and to grow into the deeper fellowship that Y.W.C.A. service offers committee workers and every member who wants to share in the program was the subject of the talk given by Mrs. Ernest Johnson, president of the Lake Forest Y at the Annual Dinner of the Highland Park Mother's club on Tuesday evening. Mrs. Johnson showed the value of women from many groups in a community meeting together with the attitude of mind that "agrees to differ," willing to credit to the other person the same "good motives we instinctively allow ourselves."

Reports showing the many activities the Mother's club has sponsored during the year were a practical demonstration of worthwhile projects during the year were a practical demonstration of worthwhile projects that can grow out of this fellowship of 108 members, reported by Mrs. John Sobey for the membership chairman, Mrs. Charles Barry. Mrs. Louis Schemel reported her Sunshine committee calls on sick members. Mrs. Cora St. John told of the Children's Sick benefit fund, Mrs. John Barber reviewed the many parties and entertainments arranged by her program committee, Mrs. Theodore Arnswald read the minutes for the last annual meeting, Mrs. Joseph Farnetti gave the annual treasurer's report, approved by Mrs. Raymond Rogers as chairman of the finance committee. It was voted to pay the balance of \$25 toward the club's gift to the Y.W.C.A. and to purchase a dozen new card tables.

Mrs. Einar Paulsen was re-elected president for the coming year. Her fellow officers, as nominated by the committee of which Mrs. Harry Renner was chairman, are: Mrs. Willis Gerkin, first vice president, Mrs. John Pichietti, second vice president, Mrs. Elmer Webb, recording secretary, Mrs. Elmer Therrien, corresponding secretary, and Mrs. Joseph Farnetti, treasurer.

Mrs. Paulsen and Mrs. Renner, in appreciation of the club's part in sending them to the National Y.W.C.A. convention in Colorado Springs, announced a gift of new footlights of the stage. Mrs. Frank Horn, who sang a group of four Norwegian songs, including a beautiful lullaby; Mrs. Theodore Osborn, president of the Y.W.C.A., who gave a tribute to mothers as an opening devotion; and Mrs. Ol. Oleson, who founded the Mothers' club twenty years ago, were guests of honor. The tables were attractive with purple lilies, purple and white phlox, white peonies, and white candles while the quilts exhibited by the handwork group of which Mrs. Thomas Marks is chairman, made gay wall hangings. The Kentucky Rose quilt which Mrs. Marks has donated to the club and her original flower garden cover were good evidence of the handcraft leaders' own industry. The annual dinner, served complimentary to all members, was in charge of Mrs. John Fay and Mrs. Fred Lindstrom.

Summer picnics will be in charge of Mrs. Willis Gerkin. These will take the place of all regular meetings until the fall program is announced.
