Report of Annual Meeting of First Church of Christ Scientist June 8, 1936

Boston, Mass., June 8.—An appeal to Christian Scientists to work for the demonstration of World Peace, the reading of reports by church officers on the various activities of the movement throughout the world and sustained demand for the writings of Mary Baker Eddy, Discoverer and Founder of Christian Science, marked the annual meeting today of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Election of Mrs. Elizabeth Cadwell Tomlinson of Boston as President of The Mother Church was announced. She succeeds Dr. Frank C. Colby. Mrs. Tomlinson was born in Byron, Wisconsin.

The addition of 22 new churches and eight new university organizations, making a total of 2751 branches of The Mother Church and 65 college and university organizations, was announced by the Department of Branches and Practitioners.

Among new Societies was one formed by the natives in a mountain province of the Philippine Islands. They had been holding services over a period of years and this past year came to the point in growth where they were able to go forward as a branch of The Mother Church.

Approximately 6000 Christian Scientists representing every state in the Union and practically every civilized nation in the world attended the meeting. The main floor

and three galleries were filled within a short time after the church doors were opened, the overflow being accommodated in the original Mother Church where amplifiers were installed.

Introducing the theme of World Peace, William P. McKenzie, for the past year chairman of the Board of Directors, told the audience, "There is a rising demand in the hearts of men for freedom and justice. Can it be met by fair dealing? This requires self-government, does it not? Instead of battling with others to set them right, let a man become right himself and influence his neighbor by his good example."

In her address, Mrs. Tomlinson spoke in somewhat the same vein as Mr. McKenzie, declaring that "the developments of this hour in world history are not disheartening to the thinker in Christian Science. These developments corroborate and fulfill our Leader's prophecy (Miscellany 281:28): 'War will end when nations are ripe for courage, in purity of purpose, in progress.' As humanity ripens in increasing virtue, in holiness, this ripening will hasten the day prophesied by our Leader when 'the Christ-spirit will cleanse the earth of human gore' (Miscellany 265:9). It is the life of men, not the death of men, that determines the peace of nations."

Also re-elected was Ezra W. Palmer, Clerk of the Church. One of the principal duties of the Clerk and his co-workers is the handling of applications for membership in The Mother Church.

His report included information as well on the relief work done by the church. The Relief Fund of The Mother Church alleviated distress caused by hurricane in Florida; by earthquake in Montana; continued work at the Veterans' Hospital, Oteen, N. C.; aided those whose property was damaged by tornado in Mississippi and North Carolina, and assisted sufferers from floods in southern and eastern states. Relief was dispensed among Christian Scientists in 14 states. In the course of this work assistance was given to or through a number of ministers of other denominations who have expressed much appreciation for the assistance and the spirit in which it was administered.

Woman's Club Invited to Exhibit at Park Ridge School for Girls

The Park Ridge School for Girls will hold their "Fun festival," which they have called "Plantation Homecoming" on Friday, June 12, at 3:45 o'clock in the school auditorium, at which time they will give an exhibition of the dancing. Inasmuch as their dancing lessons were made possible through the efforts of the Social Service department of the Highland Park Woman's club, of which Mrs. Francis W. Parker was chairman, it is hoped that as many of the club members as can do so, will attend the party and have an opportunity to realize what these lessons have really meant to the girls.

Mrs. Carl Haessler of Ravinia, has given her services once a week for the past several months to this work and Mrs. Parker and the members of her committee have furnished the transportation and equipment. Tickets may be obtained from Mrs. Parker, H. P. 3055.

Rotary Club Sees Films Taken in West Indies

Members of the Highland Park Rotary club at their noon meeting held Monday, saw films taken in the West Indies, by Don Robertson, owner of the Hearthstone restaurant in Winnetka. During the showing of the colored motion pictures, Mr. Robertson gave an interesting talk describing his experiences.

First U. E. Church Has Children's Day

A special children's day program is to be given by the various departments of the First United Evangelical Sunday school, Sunday morning at 10 o'clock. A cordial invitation is extended to the parents of our Sunday school scholars and also our members and friends. The pastor will give a short message.

and Florshelm's shoes and accessories, are Mrs. Harold Weisell, Mrs. J. T. Griffiths, Jr., Mrs. Chancellor Dougall, Mrs. A. G. Ballenberg, Mrs. M. F. Sturtevant, Mrs. Bernhard Nath, Mrs. Harry Abston, Mrs. George O. Strecker, Mrs. Julian Kramer, Mrs. Earl Sproul, Miss Virginia Strom, Miss Louise Stein, and the Misses Florence Rice and Alma and Cecile Moore.

Another exhibitor will be Victor Bros., who will display the very latest in furs.

The strolling players, arrayed in gay native costume, with their string music and Neopolitan songs will lend a touch of old-world romance and gaiety. Mrs. George R. Jones and Mrs. E. F. Englehart, with Mrs. John R. Todd, have arranged the musical features of the afternoon's entertainment.

The young girls, daughters of club members, who will assist the president, Mrs. Edwin T. E. Murfey, Mrs. Charles L. Jordan, Mrs. Claburn E. Jones and Mrs. Poyntz M. Murray throughout the afternoon, include the Misses Catherine Margaret Jones, Marilyn Gooder, Ruth Gordon, Nancy Van Bergen, June Souther, Sarah Jane Murfey, Dulcie Leightner, Antoinette Pantelis, Vivian Alexa, and Patsy Reading.

Mrs. Herbert R. Smith, ticket chairman, is assisted by the members of the board of managers, who are sponsoring the party together with a committee from the club membership, including Mrs. Erastus R. Phelps, Mrs. Kent Wonnell, Mrs. Delmar Blasier, Mrs. George Chapman, Mrs. Charles Grant, Mrs. John R. Todd, Mrs. C. V. Nichols, Mrs. John M. Brigham, Mrs. E. F. Englehart, Mrs. Seth M. Gooder, Mrs. Frank R. Ronan, Mrs. C. W. Schaaf, Mrs. Mary Helmsold, Mrs. Frank D. Austin, Miss Carol Baker, and Mrs. Carl E. Strickler.

The afternoon of June 17th has been chosen with due regard to the auspicious indications of the weather forecast for that day, but the committee in charge has made complete arrangements for the party to be held in Mrs. Stein's home instead of in the gardens should the predicted warm sunny day go astray at the last minute.

It has been suggested that guests arrange to come in groups whenever possible to facilitate parking arrangements; an also that the time element be considered, as the opening number will begin promptly at three o'clock.

Colbath to Address Highland Park Lions

Walter Colbath, star swimmer and member of the 1935 Olympic team, will speak at the regular meeting of the Highland Park Lions club to be held this noon (Thursday) at the Green Tea Pot. This evening, the local club will entertain children of the Dorcas home. A ball game and ice cream and cookies will be features of the evening.

Card Social, Friday

A Common Sense Message to War Veterans About the Bonus

NO ONE likes to be told how to spend his money, and yet veterans will be appealed to from every angle by those who have anything to sell—anything from sox to gold bricks.

The wise veteran is not the man who throws away his bonus money on worthless goods—nor the man who hoards it. It's the man who gets real value when he does spend his money.

And what single thing could bring more real value into a home than a 1936 Kelvinator—the outstanding refrigerator of the year? We urge veterans to see the new Kelvinators and then judge whether there is a better method of investing a small part of their bonus.

Only Kelvinator gives you a Built-in Thermometer, a Certificate of Low Operating Cost and a 5-Year Protection Plan. It is just as easy to buy as an ordinary refrigerator.

Kelvinator is not only the most beautiful refrigerator you ever saw, but it has everything you've always wanted in the way of convenience.
