PRICES DRASTICALLY REDUCED FOR IMMEDIATE CLEARANCE

We have enjoyed our two years in Highland Park - the steadily increasing volume of our business there has been most gratifying. However we find it difficult to operate three shops and to divide fairly our smartest models as we rarely buy more than two of a style.

We believe that by concentrating in our two shops in Lake Forest and Hubbard Woods we can offer a wider selection and maintain a higher standard of efficiency and service. Mrs. Harold Gifford will co-operate with Miss Eileen H. Myer in Lake Forest in managing and buying for the shop.
