ADVANTAGES OF OUR PLAYGROUND SYSTEM

In this week's issue of The Highland Park Press is a news story telling of the greatly increased enrollment and attendance at Highland Park's local playgrounds. This increase should be a source of satisfaction to the parents of every child attending as well as a source of pride to the park board officials and employees whose capable planning and directing have made this project the attraction that it is.

Nor is the size of the attendance the only gratifying aspect. The varied activities and the wide scope of recreation offered for both adults and children is ample proof that Highland Park's recreational program can compare favorably with that of any city in the country.

We hear a great deal these days about social planning and the directed and profitable use of leisure time. Surely a program of this type, offering as it does, instruction in various groups as well as individual athletics, offers tremendous possibilities in directing the minds of a community towards worthwhile endeavors.

Railroad Week Events To Start July 13

Chicago — Preparation for Chicago's part in the second annual "Railroad Week," which will be observed in 500 cities and towns throughout the West July 13th to 18th, inclusive, got under way here this week with the appointment of a local committee headed by L. H. McCormick, assistant general passenger agent of the Rock Island railroad.

Handcar derbies, train crier's contests, redcap races, dances, parades and a multitude of other features are included in the preliminary plans, as outlined by the committee in a report to Harry G. Taylor, Chairman of the Western Association of Railway Executives.

"Chicago, the largest railroad terminal in the world, will, as last year, be the center of many activities destined to focus the public eye on the achievements of the Western Railroads," said Chairman McCormick today.

"The importance of the railroads to Chicago is unlimited. 83 thousand employees in this city represent an annual payroll of 150 million dollars, and 60 thousand passengers are handled daily at our railroad stations." "Certainly," he added, "this affords ample justification for the railroads to call upon the people of this city to join in celebrating the second observance of "Railroad Week."

Other prominent railroad men serving on this committee are L. W. Bader of the Wabash, C. C. Ehrick of the Aton, W. E. Fuller of the Burlington, J. V. Lanigan of the Illinois Central, J. R. Moriarty of the Santa Fe, H. R. Sampson of the Chicago & Eastern Illinois, B. J. Schilling of the Milwaukee, R. Thomson of the Northwestern, F. W. Urbahn of the Soo Line, J. K. Tully of the Pullman Company, and E. S. Buckmaster of the Railway Express Agency.

The opening of "Railroad Week" will be signalized at 8 a.m. Monday morning, July 13th, when a chorus of 18 thousand locomotive whistles join in one mighty serenade throughout the West. Following this, activities, which include active participation of such organizations as Chamber of Commerce, Rotary clubs, Lions, Kiwanis, American Legion posts, and other business and social organizations of this character, have been planned for the entire week.

Prominent among the organizations which will take a leading part in the Chicago celebration is the newly formed Association of Railroad Booster clubs which embodies the employee groups of the principal railroads serving this area. This association, headed by Frank S. Patterson, chairman of the Milwaukee railroad, has made tentative plans for two huge railroad balls to be held on the north and south sides of Chicago opening night of "Railroad Week."

W. Deerfield Township Special Meeting July 15

The special meeting of the West Deerfield Township, called by Mrs. Henry Petersen, for July 7, was adjourned and postponed to Wednesday, July 15, at 8 p.m.

The meeting will be held in Precinct One (Town Hall) of the West Deerfield Township.

The purpose of the meeting is to provide for the raising of additional money and to make a supplemental tax levy to provide for the relief and support of poor in the township.

In order to receive state aid, the township must vote an additional levy to meet state demands. That is the purpose of this meeting.

Voters and electors of the West Deerfield Township are invited.

Will Play Organ at Deerpath

Irma Glenn, "NBC's Lovely Lady of the Organ," will come to the Deerpath Theatre, Lake Forest, for an extended engagement beginning a week from Sunday, July 12. The stage and radio star will present a series of musical prologues with other radio artists each Sunday afternoon and evening during the re-

mainder of the summer, with the assistance of the Deerpath Theatre's magnificent but seldom-used organ. The visiting radio stars will come to Lake Forest as the guests of Miss Glen, who in private life is Mrs. Ted Hill, of 18 Witchwood lane, Lake Bluff
