## Many Bargains To **Attract Shoppers** For Dollar Days

land Park for a number of years, days are being held today and to August 13 and 14). The local me chants have prepared for this evby restocking their stores with larg quantities of quality merchandi Never, since the inauguration of dollar day in Highland Park have there been any more outstanding values than are being offered this

The thrifty housewife will warf to take advantage of restocking he shelves at low prices, for the rising market resulting from the drought! will tend to send the cost of food soaring this fall.

Not alone in the food line will there be unusual offers, for all of the business houses are offering specials on drugs, candies, clothing

and household goods. In order to create a spirit friendliness and cooperation, each merchant will strive to bring the best to his patrons in this sale. The buyer will readily realize that the quality offered justifies th patronage of the local merchant. And so the purpose of dollar day has a twofold meaning, first, brings a feeling of cooperation be tween merchant and patron, and secondly it proves that quality a a small volume is more valuable t business than a large volume minu

The North Shore Yacht club composed of youths from Highland Park will hold a handicap race from here to Waukegan next Sunday. The race committee is expect-Due to the different types of craft taking part in the race it will be necessary for each boat to make a run against time. The skipper managing to make the best run for his particular kind of boat regardless of position at the finish line will be acclaimed the winner.

There are also a number of the local sailors planing to enter the Chicago Daily News regatta to b held Sunday, August 25, near Bel-

mont harbor. The regular weekly race over the over the customary three mile course last Sunday afternoon was won by the Wanderer, with the Walrus sed ond and the Question Mark third This race furnished a good example Patches with Greene at the helm rated fifth because her comparative speed was not as fast as that of the
