BETTY WAGNER - ED FERRING

Knock, Knock "Who's there?" "Curtiss." "Curtiss Airport, Sunday, August 23d. On this day, the Chicago chapter of the Ninety-Niners, and the Chicago Girls Flying club, will sponsor their second annual air meet, titled a "Rod-air-o." The program for the afternoon promises to be lively with stunts, air races, parachute jumps (by girls), spot landing contest, and other aerial maneuvers. This is the one day when the girls really have the say, and the gentlemen have to stand in the background. Betty Wagner has entered the air meet, and will participate in the bomb-dropping and spot landing contest. Wayne

King's plane, a Stinson is for sale at Curtiss. Elliot "Stapes" Stapes, ground school instructor at Curtiss, is a former army flyer. His army training rates him ace-high as an instructor in aeronautics. It is rumored that Uncle Sam will shift the U. S. Naval Reserve planes and flyers from Great Lakes to Curtiss in the near future. Well the more the merrier. Amos and Andy, of radio fame, who keep their Stinson plane hanged at Curtiss, are still in California.

Don Sengenberger, that eligible bachelor of Waukegan, does a neat job of flying at Curtiss. He recently flew to Grass Lake to snap pictures of the Lotus beds. We haven't seen any pictures as yet and

are wondering how they came out. "Ham" Kunath, manager and instructor at Sky Harbor, and member of the British Royal Air Force, is here for a short visit, renewing acquaintances. He has been crop dusting with his Waco at Sarasota, Florida. June Kraft of Evanston, who skillfully handles the big Pledge at Sky Harbor, is vacationing in Honolulu and is expected back around the 15th. Incidentally, June is a member of the Kraft cheese family. A model airplane contest was held Sunday at Pal Waukegan airport, sponsored by the Central Gas Model Plane society. The winning plane flew for 6 minutes and 5 seconds, powered by a 1/5 horsepower, 1 cylinder motor. "Bill" Turgeon, the very capable instructor at Pal Waukegan is vacationing up north.

Harry Richman, well-known night club entertainer, and his pilot are contemplating an ocean hop to London. His specially built, \$100,000 transport plane, has its wings loaded with ping-pong balls to help keep it aloft in the event of a forced landing. Maybe their intentions are to

enjoy a game of ping-pong on the wing until rescued. Dr. Jessica Raiche of Santa Ana, California, was the first woman to fly an airplane in the United States. She flew at Mineola Field, Long Island, in 1910. Harriet Quimby was the first woman to obtain a flying license in the United States, it was given to her in July 1911, she was also the first woman to fly the English Channel.

workers are to be complimented on the success of the festival. In the horseshoe pitching contest Howard Hagie and Morris Osbrow emerged the winners. The Deerfield Legion Junior baseball team defeated the Half Juniors 6 to 5 in their diamond battle Saturday afternoon. Half Day Athletic Club proved too much for the Highwood Indians at the Sunday baseball game as they walked away with the game by an 8-run edge, the final score being 10 to 2.

Legion Carnival Held Last Week Attracts Big Crowds

The Legion carnival could better be designated as "Deerfield Days" for it was truly a home coming and meeting place for many friends and relatives. For the young people it had its attractions and exciting moments, and for the elders it was an opportunity to renew old acquaintances. The weather was ideal all three days last week, with plenty of rain very opportunely not during carnival hours, to make Jewett Park a good location. Raymond Goodman and his committee of efficient

Bruno Christensen to Address Lions Club

The next meeting of the Highland Park Lion's club will be held at the Green Tea Pot, today, Aug. 20. Mr. Bruno Christensen will be the speaker and moving pictures of a western trip will be shown. At the meeting held last week Mayor Dooley, compared the Highland Park of the Old Port Clinton days, with the present day city. He gave some very interesting facts concerning the early history of the

town. No one in Highland Park is more familiar with these facts than our Mayor, for he has been a resident for many years and knows the town from a more intimate point of view. One of the most progressive residential districts on the North Shore
