

Why You Should Support Your H. P. Community Chest

Because you give once and only once for all! The Community Chest unites in one concerted annual campaign what has been done in thirteen separate and scattered efforts each year with varying success.

It saves money, time, and annoyance for the welfare agencies, workers, and public alike.

Because none of the Chest agencies is supported by state or federal taxes! Public funds are being used, only to provide relief to those suffering because of unemployment.

Because it assures Highland Park a coordinated and well managed welfare program: Under the Chest plan, duplication of welfare by the various agencies is avoided and carefully prepared budgets and eff-

cient management are required of each member agency.

Because every Highland Park owes it to his family and to himself to support the welfare work of his community: The support of the humanitarian and welfare activities of the community is as much the responsibility of the citizen who is able to give only a dollar, as of the citizen able to give several hundred. Every Highland Park home is benefited.

Garry's Jinx Is Still on the Job

Being of a superstitious nature, Jimmy Garry, a member of the Highland Park high school football squad, did not go out for practice last Wednesday afternoon. The reason being that a year ago on that particular date, while riding over to football practice, his leg was broken in a school bus accident.

After much laborious calculation he believed the jinx was off Thursday (Sept. 24). And so on this

fateful day, Jimmy, the star full-back on whom the success of the season seems to hinge gaily, donned his uniform and proceeded to the practice field.

Alas! Poor Jimmy! The jinx was still on the job. For in the very first scrimmage he was tackled hard and when the mele was unscrambled, there lay poor Jim — another leg broken.

Next time, states Jim, his jinx won't down him for after a full and deliberate calculation, consultation with the almanac, the purchase of a left hind rabbit's foot, he will add one day to his calculations, and proceed to thumb his nose at any and all jinxes. We shall see!

Mary Vandas to Head Dance Dept. Children's Theatre

The dance department of the local Children's Theatre is now being organized under the direction of Mary Vandas of the Vandas School of Dancing, Chicago.

Miss Vandas has had an extensive background of study and experience with the foremost teachers both here and abroad as well as a teacher in all types of dancing. A demonstration of her work in "The Pathways of Youth" at the Highland Park Woman's Club last year gave evidence of the training she gives.

Her classes will include ballet, toe, character, folk, and tap for both beginners and advanced students. Those interested, in participating in the dance episodes of the children's plays given from time to time will have the opportunity of so doing.

More detailed information in regard to the dancing, dramatics, or puppet classes may be had or registration made by calling H.P. 340.

Distressed Yacht Towed to Safety

Considerable excitement resulted from a yacht in distress in a storm on the lake last Thursday.

The yacht was just off Ravine Drive and signalled for help. The local police notified the U. S. Coast Guard at Wilmette and within an hour the yacht was towed to safety.

The first in the series of talks at the Sunday Evening Club of Deerfield, will be held at the St. Paul's Church Sunday evening, Oct. 25.

Y. W. C. A.

With the return of cool Fall days all Y.W.C.A. groups are reassembling and seasons program of activities is getting under way. On Thursday of last week the Pi Delta members gathered in festive mood to "go west" for a beefsteak fry. A trip to Hull House is planned for the next meeting of the club on Oct. 8. Members will meet at the Y. W. C. A. at 6:15 and go by auto to Chicago.

On the same night, Thursday, Sept. 24 the Friendship club held a jolly box supper meeting before the open fire discussing interesting plans for coming meetings. This week Thursday the members of this club will meet at the Y.W.C.A. at 3 o'clock and hike to Deerfield and have dinner at Phil Johnson's. Any young woman who wishes to join the crowd will be welcome.

Grade Girls Fall Rallies at Y.W.C.A. During the coming week the Y clubs under the direction of Mrs. Ethel Scidmore Gartley will open the season with parties to which girls of the 5th and 6th and 7th and 8th grades who are interested in joining the clubs are invited. The 5th and 6th grade club will entertain on Monday, Oct. 5 at 4 o'clock and the 7th and 8th grade club on Wednesday, Oct. 7 at the same hour.

The girls who have been members of the club have many interesting things to tell of the past year's activities which have been a delightful combination of indoor and outdoor recreation, talks and demonstrations and service for others. This will be Mrs. Gartley's fourth year as director of these clubs and her ability is well known and greatly appreciated.

Plans for Junior Business Girls Club On Wednesday evening, Sept. 30, a nucleus group interested in the organization of a new Y.W.C.A. club for young business girls entertained at an informal party to introduce the idea to their friends.

A very happy evening was spent beginning with ice-breaking mixers and group singing and going on into a discussion of plans for organizing the new club. The idea of having a junior business girls' club met with a hearty reception and many ideas were advanced for activities for the winter by the enthusiastic group.

Mrs. Corliss Anderson, vice-president of the Y.W.C.A. board was a special guest and spoke concerning the general Y.W.C.A. program and the important place business girls hold in the organization.

Light refreshments were served from an attractive tea table deco-

rated in the autumn colors of lavender and yellow.

Zion Lutheran Church

BUILD NOW  
Pay out of Income  
Here's a quick, fair, economical way to finance the construction of a new home or small apartment.  
Borrow the money from us. Pay us back on a monthly basis—like rent. The average interest rate is about 5%. Loans are made for fifteen years, sometimes longer. You have no heavy payments to worry about—and no mortgage renewals. Your building is free and clear after the one loan has been paid off. It's the modern, popular, low-cost way to finance construction. We welcome inquiries from anyone in position to assume the moderate monthly payments.

Going to Chicago?  
don't miss the  
NEW  
AMERICAN HOME  
Here is your chance to see for yourself the immense strides forward in home construction that have been brought about by the use of concrete.  
This New American Home is beautiful, of course, and proof against the attacks of fire, storm, termites and decay. But more than that—it is moderate in first cost and will require little or no upkeep for decades of happy living.  
See how haydite concrete masonry blocks have been used for walls and partitions; how floors have been built of concrete slabs with precast joints; how even the attractive stairway has been made of colored and polished precast concrete units. And when you have seen it, you'll build your home of concrete!  
New American Home is on Michigan Avenue just north of 12th Street—two minutes from Illinois Central station. Plenty of parking space for your car.  
Admission 10c
