

\$45,000 Is Goal Set For Annual Drive Of Local Chest

(Continued from Page 1)
Community Chest and the operations of the Chest itself for the twelve months starting November 1st," said Mr. Wampler, in making the announcement.

"The amount of the budget has been slightly increased this year after careful review by the Budget committee in order to cover small increased expenses of several of the agency members and the admission of one new agency, The Salvation Army, to Chest membership. The principal increase has been made through the inclusion of a special reserve for contingencies in the amount of \$3,700.00.

"This year due to the uncertainty of State and Federal relief programs which may be further decentralized and throw unexpected burdens upon local private agencies, it is proposed to provide against such a contingency by setting up this special reserve fund.

"Should it not be necessary to use the reserve, it will be carried over into the 1937-38 period and thus serve to reduce the amount to be raised for that year."

"Kick Off" Dinner, Oct. 14th
It is expected that the Chest Campaign will get off to a flying start at the annual "Kick Off" dinner, which will be held Wednesday, Oct. 14th, at 6:45 p.m., at the Exmoor club, with nearly 300 volunteer campaign workers in attendance. A special program of unusual interest, such as made the similar opening event of the first campaign last year a huge success, has been arranged and all who are participating in any way in the campaign are urged to keep this date free in order that they may not have to miss it.

Campaign Committees Announced
The past week has been a busy one of organization of the various district committees, which are now practically completed and ready for work just a week from today.

Deerfield Church Organized Sixty Years

(Continued from Page 1)
aside as historic night. At that time the dramatic club of the church will present a pageant based on the story of the church's beginning and growth through the years. Mrs. Edna Orsborn will be the soloist of the evening.

The pageant was written by Mrs. William Tennermann, assisted by Mrs. Chester Wolf. Material for the historic presentation was gleaned from old records in the possession of Mrs. Fred Meyer. Kenneth Hunter will direct the pageant.

Following the pageant there will be reminiscences by church leaders and long time members of the church.

Homecoming Day.
On Sunday, Oct. 13, "Homecoming Sunday," Dr. Weir will preach the morning service. At 3:30 o'clock there will be a fraternal service with the pastors of neighboring churches taking part as guest speakers. The afternoon service will be followed by a social hour. The men's octet and mixed quartet of Lake Forest college will sing at the last anniversary service.

Ministers to speak at the fraternal service are Rev. E. J. Brusco of the Bethlehem church, Rev. F. G. Piepenbrok of St. Paul's church, and Rev. A. J. Wold of Northbrook.

Dr. William F. Weir is entering his fifth year in the pulpit of the Deerfield Presbyterian church. He was born in Augusta, Ohio. He was graduated from Washington and Jefferson college at Washington, Pa., and Western Theological seminary at Pittsburgh, Pa. Dr. Weir had a ten year pastorate at Ashtabula, Ohio, and four years at the College of Wooster in Wooster, Ohio, where he served as college minister. From 1916 to 1931 he was general secretary of men's work in the Presbyterian church, U. S. A., and in 1931 he became head of the department of church administration of the Presbyterian college in Chicago, a position which he still holds in addition to the ministry of the Deerfield church.

Dr. Weir's degree of Doctor of Divinity was bestowed by the College of Wooster in Wooster, Ohio, and his LL.D. was bestowed by Macalester college in St. Paul, Minn.

One of Dr. Weir's sons is a professor of history in Forman college, Lahore, India, and another is an instructor in a Cleveland high school in Ohio.

During Dr. Weir's pastorate the church finances have been bettered because of his wide knowledge of church administration and the congregation has increased in size.

Moldaner and Humer Report Largest Fur Sale in 23 Years

Moldaner and Humer, furriers, located at 16 N. Sheridan road, report the most successful fur sale that they have had in the past 23 years of business.

The only medium of advertising used was through the columns of the Press, which bespeaks the value of newspaper advertising in a paper with a paid circulation.

The Press is very happy to learn of the success of Moldaner and Humer's sale, for they know that the reputation earned by these well known business men who offer quality merchandise at low prices, is justified, and the success of the sale can be attributed to that reputation.

Mrs. Lloyd Faxon To Open Course Next Monday P. M.

One of the fall activities which is being eagerly anticipated is the course of Book Reviews and Readings which is to be given the second Monday of each month at the Highland Park Presbyterian church by Mrs. Lloyd Faxon of Winnetka.

This is the fourth year this project has been sponsored by the women of the church and each year the audience increases, for Mrs. Faxon has a most charming faculty of presenting the current literature, novels, biographies, and plays, and these days are most enjoyable. It is her custom to talk informally for a short time about new books, and her comments are much appreciated. The list recommended will be given in this paper from time to time, and the Public Library is co-operating to the extent that it hopes to have copies of all mentioned. This course is open to the public. There is a substantial reduction in the purchase of a course ticket, which is transferable and may be used by more than one at any time. Tickets may be obtained at the door, or at the church office, and single tickets may be had. The hour is 2:30 p. m. Monday, Oct. 12, in the Parish House.

H. P. Young Men's Club Team to Meet Lake Forest Sunday

With the arrival of several new players the Highland Park Young Men's club looks forward to Sunday when they play the Lake Forest Young Men's club at the South Park field at Lake Forest. The newcomers are Leo LaBudda, last year's Highland Park satellite; Hubert Hollander, former halfback of Glenoee; Les Juhrend, hefty 225 pound former Deerfield A. C. all-star, and Bubbles Tuttle who once had a tryout with the Chicago Bears at fullback. Joe Pera, diminutive young blocker, has been signed by Coach Art Bock to serve as first assistant backfield coach. Eb. Inman, the towering painter boy, who plays right tackle for the locals, looms as a possible all-county star. . . . Francis Schmidt, who hails from Homewood avenue, and last year's Deerfield high quarterback, is now serving as understudy to Bobby Wicklander, who also was a Deerfield flash. . . . Frank "Spatzy" Tomei of Sunset Valley fame, is trying out for a backfield

position. . . . The system that the club is using is the one Knute Rockne originated.

Bill Maronelli will be lost to the team until next week. He suffered a leg injury in the Highwood game. During Tuesday evening's practice Coach Bock stressed the necessity of blocking and hard tackling. He also mentioned the value of training. . . . Wind springs are given to the squad under the direction of Bock at the start of each practice.

George Hall is the most serious member of the squad. Everything is all business with him. . . . Roy Rhinhardt assists Bock in coaching the line. He is the oldest veteran on the squad. . . . Vince Ghini, who was scheduled to become a fullback, is now back at his old position of left tackle. . . . Carroll Risdon, the hero of last year's Lake Forest game, is now back on the squad. . . . Sonny Moroney is playing halfback on the second team. . . . Dave Swan, one of the shortest men on the squad, plays first string end.

Tomorrow night (Friday) at 8:00, an intersquad game is scheduled. The public is cordially invited.
