

Deerfield Sunday Evening Club Offers Unique Program

(Continued from Page 1)

This group would be well worth hearing.

Nature Pictures Nov. 22
Dr. C. O. Schneider will appear on Nov 22 with his fine collection of autochromes, known as "Artistic Gems From Nature." Mr. Schneider, who is from Winneka, has on two previous occasions, shown his pictures to the St. Paul's Sunday Evening Club. He comes to the club on the above date with his latest gems from nature. He has frequently been invited to exhibit his work before the Chicago Camera club and art-loving groups. Photography has been his hobby for over thirty years. He hasn't missed a color spot in the United States, and his talk and picture display should be of interest to all.

The Magnolia Glee Club of Chicago, consisting of fifteen girls, trained under the direction of Mrs. Magnolia Butts, will come to Deerfield December 4. Mrs. Butts is widely known throughout Chicago 22 he will speak before the Lake Forest Kiwanis club.

Dr. Hazel Foster, professor of Bible at the Presbyterian college in Chicago, will speak at the Bethlehem for her musical talent and teaching. This group comes from the Metropolitan Community church. Being a colored group, they will interpret many of their favorite spirituals. This organization has rendered many programs in Chicago, including Grant Park this past summer, and Orchestra Hall at various times.

Cree String Quartette
On December 20, an illustrated lecture on "Famous Trees and the World in Natural Color," accompanied by a program by the Cree String Quartette will be given. They will present Beethoven, Mozart, Haydn, Schubert, and others in Quartettes, Duos, Trios, violin and cello solos, while showing the brilliant colored pictures of flowers, formal gardens and scenery.

The Deerfield Rotarians will present the program on January 3, when a splendid evening's entertainment is assured.

Mr. Lewis T. Greist of Lake Forest will give an illustrated talk on

"Arctic Alaska—Life Among the Arctic Eskimos" on January 17th.

This is a most interesting and fascinating lecture which thousands of people have enjoyed.
The eighth program will be given by Dr. Eugene Murray-Aaron, exploring naturalist of the Brazilian and African Jungles, on January 31. "The Jungle Lakes of Africa" should be a most interesting story. No man can tell as many narrow escapes from death as can Mr. Aaron. As a pupil of Buffalo Bill, he learned many lessons which helped him out of many precarious situations.

John Burdette ("Ol' Man River"), baritone, prize winner of the Chicago Music Festival, 1930-31-32 and '33. Winner of first prize Century of Progress Radio audition, 1934 and World's Fair 1933 and 1934. Mr. Burdette will sing "Ol' Man River" in true negro style.
The last program of the season which will be given February 28 will be announced later.

"Green Pastures" Presented at Alcyon

"Secret Agent," the spy thriller based on W. Somerset Maugham's "Ashenden" stories and showing at the Alcyon Theatre on Friday and Saturday, is a production that is right up Director Alfred Hitchcock's street. He has a genius for novelty in thrills and handles spy stories with especially deft and original touches.

At last "The Green Pastures," Marc Connelly's Pulitzer Prize play that ran 18 months on Broadway, is to be shown at the Alcyon. Rex Ingram, who has the leading role, takes the place of Berry Harrison, who played the part on the stage. Showing at the Alcyon on Sunday, Monday and Tuesday coming.

Even the most astute mystery-solver will find it difficult to predict the solution of "The Crime of Dr. Forbes," which will be presented on the Alcyon screen on Wednesday and Thursday of next week. Gloria Stuart, Robert Kent and J. Edward Bromberg form the romantic triangle, with the excitable Henry Armetta supplying an abundance of laughs, with his hilarious characterization.

Citizen Volunteers

Don McNeill, well known master of ceremonies and entertainer, who at the present time is acting as host on the "Tea Time at Morrell's" radio net work program and appears regularly in the famous NBC "Breakfast Club" put the guests in good humor by his witticisms.

Charles Sears, an outstanding radio tenor of wide spread fame, also contributed a pleasurable share to the program.

Smilin' Ed McConnell, 282 pounds of genial gentleness, a nationally known radio personality, who is so well known in "Sunshine Melodies," sang in his pleasing voice, and his homely philosophies were thoroughly enjoyed.

After the entertainment, Mr. Wampler introduced the speakers of the evening, each of whom gave the workers short informative and inspirational talks.

Mr. Alfred T. Sibley, first president of the Community Chest, spoke on "Reminiscences of Last Year's Campaign." He was followed by Mayor Wm. M. Dooley, honorary president of the Chest, who spoke briefly on "The City and the Community Chest."

This report was followed by a rousing plea to the workers from Herman A. Zischke, campaign chairman, who stirred the workers to action in his talk "This Year's Campaign—Let's Go."

Contract Bridge in Educational Program

A contract bridge class is now being conducted under the adult education program at the high school with Mrs. Maxine Miner as instructor. Mrs. Miner has taught for 15 years on the north shore and is well known in Highland Park clubs.

The class opened on last Monday evening, Oct. 12, and will continue for ten weeks if there is sufficient registration. There is still need for about 20 persons to make up the registration requirements.

This is an unusual opportunity to get the very best bridge instruction at a very reasonable rate and it is hoped that enough people will avail themselves of the opportunity by next Monday to insure the continuance of the class.

Sportsman's Park Is Open for 18-Day Racing Season

Horse racing in this region went into the home stretch with the opening of Sportsman's park fall meet Monday, Oct. 12. Everything was in readiness for the 18 day session. No expense was spared in beautifying the half mile plant. Numerous improvements have been made. Morning trials indicate that the racing strip is in perfect condition and with fine horses performing there is a possibility that several track records will be shattered. Increased purses and a schedule of 8 races daily have made a big hit with the turfmen and when the meeting opened over 1,000 horses were quartered at the track.

Horses are rapidly filling the stalls for the Sportsman's park meet and more than 1,000 horses are on the grounds. Alderman O'Toole, owner of the Blue Ridge farm stables will possibly have the largest stable with 20 thoroughbreds. Alderman J. J. (Bath House John) Coughlin will have 15. J. Bainton has been granted stalls for 16 all in splendid condition. Sam Gorbet and his son Glen each have 10 horses and will have Jockey McGray on hand to pilot them. The Gorbet's have always been unusually successful at Sportsman's. J. Orros has 17 horses ready for the meet. Chappel Bros. have 10 and Barney Berman local owner has but 2, but serves notice that he expects to win at least a couple of races during the meeting.
