## Meet Traditional Foe In Home Coming Game Saturday

Highland Park high school will celebrate homecoming next Saturday afternoon when they mix with their ancient rivals from New Trier at the Deerfield-Shields athletic field.

The Winnetka aggregation, 1935 Suburban league champions, will bring to Highland Park a much weaker team than the one the "Little Giants" faced last year. This year's squad, handicapped by injuries and weakened by graduation, is far from being anything sensational as was last year's undefeated team. New Trier, in addition to the two defeats administered by Proviso and Oak Park, was thoroughly whipped by a strong Canton, Ohio, team 53-0. This was the first time in nine years that the Trevians have lost a game by more than two touchdowns.

New Trier can depend on a fairly strong backfield, but its line is definitely not up to par. The work of the linemen has been sluggish all season. Highland Park will have to watch Capt. Stebbins and McFadden closely for each are excellent running backs. Both are good passers and will undoubtedly put Highland Park's defense to a severe test. Versino, New Trier left half, is one of the best kickers in the league and if in form should give Harris quite a match on punts.

Highland Park's squad on the other hand has shown a great deal of improvement since the Oak Park game when they received a severe trimming from the Huskies. Last week at Morton the "Little Giants" displayed a much stronger attack than they had in any game so far this season. Their line charged hard and broke up many Morton plays before they had a chance to get underway. Highland Park's backfield is by far the fastest in the league, although it is the lightest, and will cause New Trier plenty of worry before the afternoon is over. The backfield combination of Harris, Baldauf, Wilder and Durmunt will bare watching closely, as will their new passing attack that was developed last Saturday.

Saturday's game will be the nineteenth time the two schools have met since their gridiron rivalry began in 1913. Although the odds are with the Trevians, who have won the majority of the game, we believe Coach Floyd will have quite a surprise for the Winnetka team. It is our opinion that the Highland Park boys are at least seven points better than their opposition.

Probable lineup:

Highland Park	LT	New Trier	Dix
Benson	LE	Anderson	Koolich
Stankle	LG	Reynolds	Malien
Kue	LC	Hooker	Thompson
Wolfe	RG	Wagner	MaPadden
Cameron	RT	Gray	Stebbins

## Lincoln School P.-T. A. Rummage Sale Oct. 24

"What's one man's poison, signor, is another's meat or drink."

On Saturday, Oct. 24 the Lincoln school P.-T. A. hopes to prove the wisdom of that old adage when it holds a Rummage Sale in the shop formerly occupied by the Pease Drug Store on North St. John's ave.

Contributors to the sale are requested to bring all sale articles to the shop on or before Friday, Oct. 23. Customers are advised to come early in order to take full advantage of a wide selection of wearing apparel, furniture, knick knacks, and maybe one or two unique objects of art.

All potential purchasers are cordially invited to come in and browse around. If you don't find what you want we are very confident that you will at any rate want what you find.

## Religious Survey to Be Conducted by Redeemer Church

The Redeemer Evangelical Lutheran church of West Central ave. at McGovern st. of which the Rev. W. F. Suhr is pastor, is about to make an accurate religious survey of Highland Park.

This is to be done by a house to house visitation; not by a group of local volunteer workers but by a trained and experienced visitor.

The congregation has secured the services of Mr. Edgar Munding, who will be salaried by the General Home Mission Board of the Missouri synod of the Lutheran church. Mr. Munding is a graduate of the Concordia Theological seminary at St. Louis, Mo., and has had one year of experience in making such surveys.

He will call at every home in this community and simply inquire as to the religious affiliation or church preference of every member of that home.

The primary purpose of this canvass is to arouse interest in the religion of Jesus Christ, and in particular to advance the cause of the Lutheran church. At the same time it will benefit all other churches in the community, as the information gathered will be available to all pastors and church workers who desire it.

The results of this canvass, as far as it is of general interest, will be published in this paper from time to time; and at the close of this survey a complete report will be given, which ought to prove very interesting.

The beginning of this survey will be made next week. Mr. Munding has been assigned to make a like survey of Glenwood, and according to his plans he will spend one week here and the other week at Glenwood, thus alternating until his assignment has been completed. During the week of Oct. 25 he will canvass the northwest part of our city. The co-operation of the community is solicited in this undertaking. May every person approached by the visitor answer the few simple questions without reserve.

## H.P. Y.M.C. to Play Lake Forest Sunday

The Highland Park Young Men's club football team will open up their 1936 home season Sunday against the strong Lake Forest eleven.

With the arrival of two new linemen, Charles "Rippy" Swan and Joseph Cameron of Georgetown college fame, the locals, coached by Art Bock, will put out a team that will be hard to stop.

To keep the squad in excellent physical condition, Bock has used the Tuesday and Friday night practices for intersquad scrimmages.

Two weeks ago at Lake Forest the Highland Parkers were defeated 7 to 6. During this game the local passing attack was given its first trial. A twenty yard pass from Francis Schmidt to Coach Bock scored Highland Park's points.

Last week, playing at Racine, Wis., the Young Men's club gained a moral victory by holding a larger team to a nothing to nothing count.

As an added incentive to Sunday's game which is to be played at Sunset Park at 2:30, a football will be given away. Tickets for the game may be purchased at Bock's Service Station, Fell's Men's Store, and members of the squad.

Stewart of Columbus, Ohio, has been secured by the Young People of the First United Evangelical church as their speaker and director of a Youth Rally and Evangelistic campaign to begin on Sunday, Oct. 25. He is becoming known in an ever-widening field as a Bible teacher with an unusual appeal to youth, and with a gripping message of evangelism and related themes.

His radio following is large, for his equipment in voice and style, as well as subject matter, has opened the door to him in enumerable radio broadcasts. Mr. Stewart commands an evangelistic method that meets modern needs and demonstrates that evangelism still lives. He has been recently added to the Extension Staff of the Moody Bible Institute of Chicago. Youth Rally is to be held on Sunday, Oct. 25, at 3 p. m. ### Dinner Nov. 10 to Feature Meeting of High School P.-T. A.

It has long been recognized that one of the most important High School P. T. A. meetings of the year is the evening that both mothers and fathers meet informally with the teachers to discuss their children's progress. For these discussions, short as they must necessarily be, pave the way for a better understanding between parent and teacher that makes the school life of each student happier and more satisfactory.

This year, in order to make this meeting especially enjoyable, the mothers and fathers are invited to a dinner, such as will delight the hearts of the fathers, at a nominal cost, where hostesses will introduce people, and provide places at table for those who do not come in groups.

Every parent of a high school student is urged to save Tuesday, November 10, for this occasion. Further information will be published in subsequent issues.

All other national and county candidates will be introduced.

The meeting will convene at 3:00 o'clock and ex-mayor Samuel M. Hastings will serve as master of ceremonies, introducing the candidates.

The program will be interspersed with entertainment. As this is one of the largest pre-election meetings arranged by the Republican local committee, a large attendance is anticipated. All voters, regardless of party affiliation, are invited to attend.

The state candidates who are appearing in Highland Park Sunday are also visiting other sections of the county, to fulfill the many requests of Lake county people to hear them before the November 3rd election.

### Urge Citizens to Subscribe Promptly To Community Chest

Striving to reach if possible the \$45,000 goal of the Second Annual Highland Park Community Chest campaign before next Monday evening, October 26, the final date set for the campaign, the volunteer corps of nearly three hundred citizen workers, were well on their way toward their objective today, just one week from the official start of the drive.

The report of Herbert M. Lautmann, chairman of the Special Gifts committee, made at the close of the Opening Dinner last Wednesday evening, of \$16,000 in subscriptions secured by his committee, gave a splendid "start" to the campaign. District campaign workers, despite the fine weather of last week end which caused many of their prospects to be away from home when called upon, had rolled up a total of nearly \$5,000 more by the time of the first report meeting last Sunday evening.

Over Half-Way Mark. This fine start made by the district workers, coupled with further subscriptions turned in by the Special Gifts Committee had by Monday (Continued on Page 8)
