

Charles Phelps Taft to Speak in Zion Monday, October 26

Charles Phelps Taft, son of the late President William Howard Taft, and one of the leading younger Republicans in the United States, will come to Lake county on Monday, Oct. 26, to place the future of the people as seen by political theorists before one of the largest audiences ever to assemble for an indoor meeting in the history of the county.

Some 3,000 people from this locality and the rest of the county will come to the Shiloh tabernacle at Zion to hear the message of Taft.

Because of the significance of Taft's message to the people of Lake county, Chairman Benjamin H. Miller of the Lake County Republican Central committee, has requested all precinct committeemen in the county as well as all Volunteer and Young Republican clubs to cancel any gatherings scheduled in the local communities for Oct. 26 so that the people in the county may hear Taft's address on the national government.

Rep. Richard J. Lyons of Libertyville, who has just completed a campaign tour of Southern Illinois and Iowa, has brought back an encouraging report of the feelings of the people in other sections of Illinois laborers, farmers, professional and business men and women are openly against the New Deal administration in the federal and state governments and are pledging full support to the Republican party candidates.

He will make his first appearance in the campaign in Lake county on Friday night, Oct. 16, when he will share honors with Roland V. Labonati, prominent Chicago leader, at a meeting at the Oak Terrace school at Highwood. The meeting is scheduled for 8 p.m. and will be in the form of a rally of Highwood and county voters.

Express Appreciation for Success of Recent Production

The Grace M. E. Church wishes to thank all the organizations and individuals who helped to make the presentation of "The First Commandment" so successful. Without the fine cooperation of everyone this splendid dramatization of the Bible could not have been done. The American Legion posts of Highwood and Highland Park were specially cooperative in this fine community enterprise.

Those who witnessed the drama will long remember its beautiful scenes, its inspiring music and its compelling thought. For this reason the community will long feel grateful for the sacrificial effort and faithful work of those who helped to make it possible.

Letters and mementos of the club history were displayed on the walls and two beautiful large silver plates for the tea table were the gift of the club which appropriately commemorated the day.

This meeting was well attended, which augurs well for the coming year. Mrs. Gladys Dunham, our new president, presided.

Committee chairmen appointed were as follows: Child welfare, Mrs. Mabel Goodman; Community Service, Mrs. Elsie Scully; Americanism and National Defense, Mrs. Agnes Tennermann; Rehabilitation, Mrs. Mary Welch; Social, Mrs. Gladys Jacobs; Pledge, Mrs. M. Whitcomb; Junior adviser, Mrs. F. Uchtman; Legislative, Miss Genevieve Card; Finance, Mrs. John Wyman; Membership, Mrs. L. Meyers; Poppy, Mrs. Beattie Cruickshank; Sunshine, Mrs. L. Meyers.

Child welfare chairman, Mrs. Goodman, stated that \$2.50 had been sent to education fund, and that a birthday had been observed at the home.

Junior activities chairman's report stated that the next meeting of juniors would be held at the home of Ruth Tennermann on Oct. 24. Their officers for the coming year had been selected at their previous meeting.

Americanism chairman, Mrs. Tennermann, gave the program to be followed this year, announcing that national defense would come first in line followed by Americanism as our main objectives. We are urged to go more fully into the study of our form of government, to stress our work with the children in the schools, that the oratorical contest would again be conducted this year, the subject for the high schools having already been announced as "America. An Example to the World." We are again to sponsor a trip to Waukegan for the upper grammar school grades this year to the Juvenile Court if possible instead of the Naturalization proceedings as last year.

We are to have a joint meeting of the post and unit on Armistice Day which should prove interesting, to which we may invite our friends and children of Legionnaire's families.

Our pledge to department for U. S. V. B. hospital No. 105 for Treasurers Chest fund is again to be taken up with the post asked to share same. Poppy poster contest will again be conducted.

Conference Caravan will be held on Nov. 5 at Chicago. This year promises to be a very full and helpful one indeed.

After adjournment refreshments were served by our hostess, assisted by Mrs. Kate Wagner.—Contributed.

Deerfield Drama Club Will Give Play, November 6

The Deerfield Presbyterian Dramatic club will present, "A Murder Has Been Arranged," on Friday evening, Nov. 6, at 8:15 o'clock in the Deerfield Grammar school.

The drama was written by Emlin Williams, a British playwright, and is being presented by special arrangement with Samuel French, under the direction of Kenneth Hunter of Deerfield. It was a costume play with rich velvets and very elaborate satins.

The costumes are being made by Shirley Clark and Josephine Schessler, assisted by Mrs. Wendell Goodpasture who used to be in the costume department of the Goodman theater in Chicago.

There are nine members in the cast.

Besides being a play of absorbing interest, "A Murder Has Been

Arranged," is blessed with that rare and precious quality known as originality. Never has there been a play quite like it—never have thrills been produced by such apparently simple means.

This author has been able to ensnare the imagination of his audience from the rise of the curtain and to hold it spellbound until the finish. That "spooky" feeling surcharges the atmosphere. Strange forces lurk in every corner, premonitions seep through the walls of the building.

The Presbyterian Dramatic club has been fortunate in being the first in this community to secure the right to present this thrilling mystery for the pleasure of local playgoers. Fresh, novel ideas will be found here in abundance.

Thrills aplenty are guaranteed. The Boston Transcript said this of the mystery-drama, "Mr. Williams seems to have designed his piece as a play of horrific apprehension fulfilled step by step before possessed spectators."
