

Underwriters Extend Tribute To the World's Fastest Liner

This beautiful silver rose bowl and plate, showing two mermaids in a strained pose impatiently exhorting the ancient Viking ships to make way for the modern, was presented to the new Cunard White Star superliner Queen Mary by the British marine insurance companies as a tribute to her sturdiness of construction and safety as an insurance risk.

Property Values Are Higher in the County

The 1936 board of review in Lake County this week completed its work of equalizing property values in Lake County and turned over the 52 assessors' books to the county clerk.

Property values for taxing purposes in the county increased \$340,012 this year compared to last year. The total valuation for the county is now \$77,185,920.

To these values for real and personal property will be added the railroad rolling stock and the corporation stock valuations fixed by the state tax commission.

Lake Forest is third among the cities of the county with a total real and personal property valuation of \$9,986,200.
