## Jesse Sobey Dies; In Meat Business Here For 33 Years

Jesse Sobey, who for the past thirty-three years conducted the Sobeys Meat Market in this city, died Tuesday night at 11:30 o'clock at the Highland Park hospital following a several months illness.

Mr. Sobey was born in Chicago July 29, 1870 and was 66 years old at the time of his death. He came to Highland Park in 1903 and established a meat market, in which business he has been engaged continuously ever since.

He was one of the early members of the Highland Park Business Men's association, in which he took an active part until a few years ago. He was also a member of A. O. Fay lodge, A. F. and A. M. and Highland Park Chapter No. 228 R. A. M.

Although of a very quiet and reserved manner, he made a host of friends among his clientele and associates, who will learn of his passing with deep regret. He was well known and highly respected among the business men of this city.

Funeral services will be held from the home of his son John Sobey of 365 Bloom street, at the Masonic temple at 1:30 Friday afternoon. Interment will be in Rose-hill cemetery.

Mr. Sobey leaves one daughter, Mrs. Florence Welch, and one son, John N. Sobey, to survive him. Mrs. Sobey preceded her husband in death two years and one day.

## Episcopal Church Has Home Coming

This coming Sunday, November 22nd, has been chosen by the Vestry of Trinity church as Alliegance Day.

On this date the entire membership makes the effort to be present at one of the services, thus making of the day a sort of home-coming to the church.

It is also the custom in Trinity church to have the pledge-cards for the new year filled out and presented in person at one of the services, thus making of the pledge a voluntary promise to support the work through the new year.

At this time the choir under the direction of Mr. Ralph Anschuetz will have special music appropriate for the event, and the Rector's sermon will also be on the subject of the place of the individual in the life of the church.

All members and friends of Trinity church are asked to be present at the services which are at the regular hours of 7:30, 9:30 and 11 o'clock.

## Christmas House Party in Preparation

The Woman's Association of the Highland Park Presbyterian church is making great preparations for their interesting and unique fete on Friday and Saturday. The star of the picture is the new sensation from France, Simone Simon, and besides Miss Simon, members of the cast include Herbert Marshall, Ruth Chatterton and Constance Collier.

"Anthony Adverse" is the last word in magnificent screen entertainment. This truly anxiously awaited production will be at the Alcyon on Sunday, Monday and Tuesday. The picture follows the romantic adventures of Adverse through five countries. For mammoth sets, for colorful and picturesque backgrounds, for dynamic action, for the unusual characterizations of its tremendous cast from Fredric March, the star, down to the smallest bit player, for the glamor of its romance, its human interest and sheer, unadulterated entertainment, this picture is unsurpassed.

## Buy Your Holiday Bakery Needs at P.-T. A. Sale Nov. 25

It might be announced, simply and concisely, that on November 25, the Lincoln School P. T. A. will hold a bake sale at the A. & P. store on Central avenue. One might also say, just as simply and concisely, that Mr. Shakespeare was a man who wrote plays. Both announcements would be masterpieces of understatement.

November 25 is not just another Wednesday. It is the Wednesday before Thanksgiving! Every housewife dreads a bit, that seemingly endless marketing list. She frets, too, that the turkey be tender, the dressing just right, the gravy, hot and rich, the celery, crisp and cold, and the cranberries jelled to the proper consistency. Finally, there is the dessert—the pie, the cakes, and we almost forgot, the fresh, flaky rolls. And there we come in with the bake sale!

Picture to yourselves, delicate crusted mince pies, rich brown and creamy pumpkin pies, luscious layer cakes, light golden doughnuts, and sweet smelling rolls and biscuits. You may have any of these delicacies by coming to the A. & P. on Wednesday, because the mothers of the Lincoln school children are going to out-do themselves this year in the offerings they are making to enhance the pleasures of the coming holiday.

The proceeds of the sale will be turned over to the school skating rink fund so that the children of Highland Park will be assured of healthy exercise on a supervised rink during the fast approaching winter season.

## Former Highwood Mayor Passes Away

Joseph Severson, aged 72, former mayor of Highwood, died early Thursday morning at his home, following a lingering illness. Funeral services were held Saturday afternoon at two o'clock at the Swedish Lutheran church in Highwood. Interment was in Memorial Park cemetery.

Mr. Severson, who had served as mayor of Highwood for twelve years, was born in Norway. When a young man he came to America and joined the army. While stationed at Fort Randall in South Dakota in the 80's he took part in quelling an outbreak of the Sioux tribe. His enlistment expired in 1892, and he moved to Highwood where he took up the carpenter trade. He retired in 1930. The ex-mayor was active in all civic enterprises, serving as president of the Highwood board of education and as township collector.

He is survived by his wife, Anna, two sons, Edgar and Norman, and a daughter, Emma.

## Alcyon Presenting Anthony Adverse

"Girl's Dormitory" is scheduled for the Alcyon theater's screen on Friday and Saturday. The star of the picture is the new sensation from France, Simone Simon, and besides Miss Simon, members of the cast include Herbert Marshall, Ruth Chatterton and Constance Collier.

"Anthony Adverse" is the last word in magnificent screen entertainment. This truly anxiously awaited production will be at the Alcyon on Sunday, Monday and Tuesday. The picture follows the romantic adventures of Adverse through five countries. For mammoth sets, for colorful and picturesque backgrounds, for dynamic action, for the unusual characterizations of its tremendous cast from Fredric March, the star, down to the smallest bit player, for the glamor of its romance, its human interest and sheer, unadulterated entertainment, this picture is unsurpassed.

"The Case of the Velvet Claws," has been booked by the Alcyon theater as the feature attraction for Wednesday of next week. This is the fourth of the popular novels by Erle Stanley Gardner to be brought to the screen with Warren William starred as the brilliant amateur detective, Perry Mason.

## Paving Project In Ft. Sheridan And Others Approved

Four proposed construction projects submitted by various governmental bodies of Lake county have received the official approval of the president, recent bulletins from Washington revealed today.

The costliest major improvement that was sanctioned by President Roosevelt was a macadam paving project on roads and streets of Fort Sheridan. Included in the plans is the construction of permanent paved sidewalks.

An inclusive proposal that involves improvements and additions to Waukegan's water distribution system is planned. This approved project will necessitate such work as locating and replacing defective curb boxes and valves, the installation of new valves and fire hydrants and the laying of water mains. Estimates call for the expenditure of \$20,173 in WPA funds.

Lake county farm-to-market roads are slated for improvements in the project sponsored by the Illinois division of highways. Various roads throughout the county are to be landscaped as well as slopes of roads sodded and drain tile installed in necessary drainage sections. It will cost \$8,121 in federal funds for the completion of this program.

The town of North Chicago's proposal which was submitted to the WPA has also been approved. To improve the water system \$2,381 in federal funds will be allotted for the construction of water mains on various streets.

## Hunters Find Rare Pheasant Species

While on a hunting trip one day last week, Bill Hunter and Roy Delhaye, killed a very rare species belonging presumably to the Pheasant family.

It seems that in the very early morning hours, these two well known local boys ventured out to get their share of the pheasant season. With eyes alert, (in spite of the lack of sleep), the boys kept vigil. Suddenly their first victim came into sight. Bill drew a bead on the bird and let go. Thrilled with excitement they hastened to their prey. As they approached, a peculiar odor filled the air. Roy who is an experienced hunter, thought little of it, and explained to Bill that "all pheasants smell like that."

Bill, who is extremely bashful, having no desire to extol Roy's ignorance, placed the bird in the croch of an old tree, saying they would "pick it up on their way back." However, the boys took a short route home, and the latest reports are, that the perfume business has picked up considerably in Highland Park.

## Present Play at Twilight Meeting at Village House

There will be a hearty welcome at the Village House on Dean ave. next Sunday, Nov. 22nd, promptly at 4 o'clock, for all the families in the community and their friends who enjoy a good play, interesting pictures, and a pleasant chat with old friends and new acquaintances. Out of courtesy to the actors, who must go to Chicago immediately after the play to rehearse "Judgment Day," guests of the afternoon are asked to come a few minutes early so that the play can start at 4 o'clock.

Those who will see this performance of "The Valiant," acted by an all-star cast, will long remember it as a thrilling experience.

It is always a pleasure to view the colorful work of Tom Wilder, whose vivid landscapes have made him famous in this part of the country.

While light refreshments are being served by the members of the Arts committee of the Ravinia Woman's club, under whose auspices this evening twilight gathering is being held, this committee will also act in the capacity of hostess and will introduce guests to each other.

Old Fashion Dance  
The Royal Neighbors of Highland Park will hold an old fashioned dance at Masonic hall, Wednesday evening, Nov. 25. The public is invited. Those who do not dance, may play cards. Refreshments will be served.

## Winter Camp Is Opened November 3 at Arden Shore

Presidents may stay or go, New Deals be kept or discarded but Arden Shore goes on year after year offering to the otherwise "forgotten" youth of the city slums a helping hand toward decent manhood. So it was that on election day twenty three young boys from Chicago's "back" streets were much more interested in the train that would take them to the camp at Lake Bluff than in the fate of contending political parties. They were the first to be selected by the Vocational Guidance Bureau of the Board of Education as needful of the healthful routine and building-up process which Arden Shore prescribes for boys too undernourished to continue their schooling or to obtain working certificates. A second group followed a few days later bringing the total up to fifty which is the quota the camp is able to house at one time.

Many nationalities are represented in the yearly contingent, and regardless of ancestry they are all American citizens in the making. Their daily schedule of studies, Boy Scout work, church attendance on Sundays and, more than all, the ideals of conduct held up to them by Miss Anna Belle Ferrier, camp superintendent, constantly mould them toward good citizenship.

An out-standing boy in this year's group is an 18-year old Italian whose hair is red and whose first name is Mike. When he was 10 years old he came to this country with his father and the goal toward which both of them have been looking all these years is the day when mother and small sisters can join them. But first Mike has to finish high school and then go to college before he can hope to become the teacher he is born to be. A few months at Arden Shore will build up his undernourished body and there his attractive personality and keen intelligence may win him influential friends who can help him later.

The routine of camp life is very sane and simple. Classes in all school subjects are conducted during the morning hours after house chores are finished; a two hour rest period follows the noon meal; outdoor-door activities and Scout work fill the late afternoon hours and bed time comes very soon after supper. There is occasional excitement provided however by friends of the camp in the way of a party. On Saturday evening November 14 the Evanston Arden Shore association gave a dinner for the boys at God's Hill Settlement. On the night of the twentieth the Optimist's club of Chicago will give a dinner at the camp. Sometime between Thanksgiving and Christmas the Winnetka Arden Shore association will give its annual holiday dinner in some Winnetka member's home.

## Tom Wilder Holds 8th Annual Studio Show November 21-23

If you have not received one of the block prints in five colors sent out by Tom Wilder to announce the his eighth annual studio show of paintings it is probably because the supply was exhausted too soon; but you should just go anyway because the pictures are worth seeing and the special invitation is really not necessary.

For the most part they are landscapes typical of local north shore woodland, ravine and countryside. Carefully painted in Mr. Wilder's mild impressionism, many of them portraying early spring and autumn, they abound in clean, bright color.

It has always been Mr. Wilder's purpose to make pictures for the home not too large or too expensive, capable of being seen advantageously at the close ranges afforded by our modern rooms of limited size.

The show will be open Saturday, Sunday and Monday, November 21, 22 and 23 from 3 to 10 p.m. at the studio, 1824 Rice street.

## HOLIDAY NEXT WEEK

Because of the Thanksgiving holiday next Thursday, all advertising and news copy for the Highland Park Press must be in this office a day earlier than usual, in order to avoid being omitted from next week's paper. The holiday shortens the week by one day, and comes at the peak of the week's production in a weekly newspaper office. Hence the necessity of getting in copy as early as possible in the week. All who have news or advertising for next week's paper are urged to keep this in mind.

## Campaign Budget Topped By \$256 In 2nd Annual Drive

Highland Park's Second Annual Community Chest Campaign, begun October 15, was successfully concluded this week after just a month of active solicitation. One thousand nine hundred and thirty-five individual subscriptions had been received up to noon Wednesday for a grand total of \$45,256.20, topping the campaign budget of \$45,000 by \$256.20.

## Assures Community Welfare Program

The successful conclusion of the campaign means that the thirteen member agencies of the Chest will receive the full amount of the budgets estimated by them as necessary to the efficient conduct of their welfare programs until Nov. 1, 1937.

The member agencies which will benefit from the Chest campaign and the amount each will receive are as follows: American Red Cross, \$1,000; Arden Shore Association, \$3,000; Baby Feeding Clinic, (no funds needed this year); Boy Scouts of America, \$3,000; Dorcas Home, \$500; Girl Scouts, \$1,300; Highland Park Hospital, \$10,000; Highland Park Social Service, \$8,500; Highland Park Hospital Auxiliary, \$2,200; Highland Park-Ravinia Infant Welfare Society of Chicago, \$3,000; Northwestern University Settlement, \$1,500; Salvation Army, \$300; Young Women's Christian Association, \$2,000.

## Firemen Repair Toys for Needy Children

Santa Claus' workshop is again busy, preparing toys for those children, who might otherwise not have a Christmas.

Now you ask, where is his workshop?

As has been the custom in years past, the Highland Park Fire Department are reclaiming old toys to be distributed among the needy children of our city on Christmas. They are asking the cooperation of all in Highland Park who have toys that are of no further value in their family, and who are willing to contribute these to help make Christmas for some other child, to send them to the Highland Park or Ravinia stations, to be rejuvenated.

All dolls will be repaired by the Social Service and dressed by women workers employed by the Social Service. Through the generosity of the local merchants, material for the repair work is given the Fire Department, who in turn repair and repair the toys for distribution. Last year over 275 children, were made happy with their gift of toys. If you have toys to give, won't you see that the firemen get them early, for the more time they can spend on a toy, the better it will look to a child on Christmas day.
