Dr. and Mrs. N. S. Mayo of Sheridan place are leaving this week for Mount Dora, Florida for the winter.

Mr. Warren Leihser of the Udell

## WHEN Children Lack Appetite

When a child doesn't take a keen, healthy interest in meals—something's wrong. Better look into it right away. If the condition persists, and the child is listless and fails to gain weight, go and have a talk with your Doctor. He will make a thorough and complete diagnosis and prescribe the needed remedy. When you have the prescription, we will welcome the opportunity to fill it for you. Prescriptions are our specialty. You can always be assured of fresh drugs and fair prices.
